THE SERIES 2007 M BONDS

General Description

The Series 2007 M Bonds are issuable as fully registered bonds in denominations of $5,000 or any integral multiple thereof. The Series 2007 M Bonds will be dated the date of delivery thereof and will also carry the date of authentication thereof.

Interest on the Series 2007 M Bonds will be payable semiannually on January 15 and July 15 of each year, commencing July 15, 2008 (each an “Interest Payment Date”). The Series 2007 M Bonds will bear interest (calculated on the basis of a 30-day month and a 360-day year) at the rates and will mature on the dates and in the principal amounts set forth on the inside cover page of this Official Statement. If a Series 2007 M Bond is authenticated on or prior to January 1, 2008, it shall bear interest from the date of delivery of the Series 2007 M Bonds. Each Series 2007 M Bond authenticated after July 1, 2008, shall bear interest from the most recent Interest Payment Date to which interest has been paid on the date of authentication of such Series 2007 M Bond unless such Series 2007 M Bond is authenticated after a Record Date and on or before the next succeeding Interest Payment Date, in which event the Series 2007 M Bond will bear interest from such next succeeding Interest Payment Date.

When issued, all Series 2007 M Bonds will be registered in the name of and held by Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”). Purchases of beneficial interests from DTC in the Series 2007 M Bonds will be made in book-entry-only form (without certificates) in the denomination of $5,000 or any integral multiple thereof. So long as DTC or its nominee is the registered owner of the Series 2007 M Bonds, payments of the principal of and interest on the Series 2007 M Bonds will be made directly by the Trustee by wire transfer of funds to Cede & Co., as nominee for DTC. Disbursement of such payments to the participants of DTC (the “DTC Participants”) will be the sole responsibility of DTC, and the ultimate disbursement of such payments to the Beneficial Owners, as defined herein, of the Series 2007 M Bonds will be the responsibility of the Direct Participants and the Indirect Participants, as defined herein. See the heading, “Book-Entry-Only System” under this caption.
If DTC or its nominee is not the registered owner of the Series 2007 M Bonds, the principal of the Series 2007 M Bonds will be payable at maturity upon the surrender thereof at the principal corporate trust office of the Trustee. Interest on the Series 2007 M Bonds, when due and payable, will be paid by check dated the due date mailed by the Trustee one business day prior to the due date (or, in the case of an owner of Series 2007 M Bonds in an aggregate principal amount of at least $1,000,000, by wire transfer on such due date, upon written direction of such registered owner to the Trustee not less than five business days before the Record Date immediately prior to such Interest Payment Date, which direction shall remain in effect until revoked in writing by such owner) to the persons in whose names such Series 2007 M Bonds are registered, at their addresses as they appear on the bond registration books maintained by the Trustee on the Record Date, irrespective of any transfer or exchange of such Series 2007 M Bonds subsequent to such Record Date and prior to such Interest Payment Date unless the Bond Bank shall default in the payment of interest due on such Interest Payment Date.

Except as provided under “Book-Entry-Only System,” in all cases in which the privilege of exchanging or transferring Series 2007 M Bonds is exercised, the Bond Bank will execute and the Trustee will deliver Series 2007 M Bonds in accordance with the provisions of the Indenture. The Series 2007 M Bonds will be exchanged or transferred at the principal corporate trust office of the Trustee only for Series 2007 M Bonds of the same tenor and maturity. In connection with any transfer or exchange of Series 2007 M Bonds, the Bond Bank or the Trustee may impose a charge for any applicable tax, fee or other governmental charge incurred in connection with such transfer or exchange, which sums are payable by the person requesting such transfer or exchange.

The person in whose name a Series 2007 M Bond is registered will be deemed and regarded as its absolute owner for all purposes and payment of principal thereof and interest thereon will be made only to or upon the order of the registered owner or its legal representative, but such registration may be changed as provided above. All such payments shall be valid to satisfy and discharge the liability upon such Series 2007 M Bond to the extent of the sum or sums so paid.

Redemption

Optional Redemption. The Series 2007 M Bonds maturing on or after July 15, 2016, are subject to redemption prior to maturity on or after January 15, 2016, in whole or in part on any date as selected by the Bond Bank, at a redemption price equal to the principal amount of each Series 2007 M Bond to be redeemed, plus accrued interest to the redemption date, and without any redemption premium.

\(^{(1)}\) Final Maturity

Under the Indenture, selection of Term Bonds to be redeemed will be made by lot by the Trustee. In accordance with DTC’s standard practices and its agreement with the Bond Bank, DTC and the Direct Participants will make this selection so long as the Series 2007 M Bonds are in book entry form. The principal amount of Term Bonds to be redeemed on each date set forth above will be subject to reduction by the principal amount of any such Term Bonds of the same maturity which, not less than 45 days prior to a sinking fund redemption date, have been theretofore surrendered to or purchased by the Trustee for cancellation and canceled, all in accordance with the Indenture. The principal amount of any Term Bonds so surrendered and canceled in excess of the principal amount scheduled for redemption in any one year will be credited against future redemption obligations and the principal amounts of Term Bonds subject to sinking fund redemption at such times will be accordingly reduced.

**Cash Flow Certificate.** Prior to any optional redemption of any Series 2007 M Bonds, the Bond Bank will be required under the Indenture to deliver or to cause to be delivered to the Trustee a Cash Flow Certificate (as defined in Appendix D) to the effect that, giving effect to such redemption, Revenues expected to be received, together with moneys expected to be held in the Funds and Accounts, will at least equal debt service on all Outstanding Bonds along with Program Expenses, if any.

**Notice of Redemption.** In the case of redemption of the Series 2007 M Bonds, notice of the call for any such redemption identifying the Series 2007 M Bonds, or portions of fully registered Series 2007 M Bonds, to be redeemed will be given by mailing a copy of the
redemption notice by first class, registered or certified mail not less than 45 days prior to the date
fixed for redemption (or such shorter period as shall be acceptable to the Trustee) to the
Registered Owner of the Series 2007 M Bonds to be redeemed at the address shown on the
registration books of the Trustee. Failure to give such notice by mailing, or any defect thereof
with respect to any Series 2007 M Bonds, shall not affect the validity of any proceedings for the
redemption of any other Series 2007 M Bonds. All Series 2007 M Bonds so called for
redemption shall cease to bear interest on the specified redemption date, shall no longer be
protected by the Indenture and shall not be deemed to be outstanding under the provisions of the
Indenture, provided funds for their redemption are on deposit at the place of payment at that
time.

Redemption Payments. Prior to the date fixed for redemption, there must be on deposit
with the Trustee sufficient funds to pay the Redemption Price of the Series 2007 M Bonds called,
together with accrued interest on the Series 2007 M Bonds to the redemption date.

Book-Entry-Only System

The Depository Trust Company (“DTC”), New York, New York, will act as securities
depository for the Series 2007 M Bonds. The Series 2007 M Bonds will be issued as fully-
registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such
other name as may be requested by an authorized representative of DTC. One fully-registered
Series 2007 M Bond will be issued for each maturity of the Series 2007 M Bonds and will be
deposited with DTC.

SO LONG AS CEDE & CO, AS NOMINEE OF DTC, IS THE REGISTERED OWNER
OF THE SERIES 2007 M BONDS, REFERENCES IN THIS OFFICIAL STATEMENT TO
THE REGISTERED OWNERS (OR THE OWNERS) WILL MEAN CEDE & CO. AND WILL
NOT MEAN THE BENEFICIAL OWNERS.

DTC, the world’s largest depository, is a limited-purpose trust company organized under
the New York Banking Law, a “banking organization” within the meaning of the New York
Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the
meaning of the New York Uniform Commercial Code, and a “clearing agency” registered
pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds
and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues,
corporate and municipal debt issues and money market instruments from over 85 countries that
DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade
settlement among Direct Participants of sales and other securities transactions in deposited
securities, through electronic computerized book-entry transfers and pledges between Direct
Participants’ accounts. This eliminates the need for physical movement of securities certificates.
Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust
companies, clearing corporations, and certain other organizations. DTC is a wholly-owned
subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, in turn, is owned
by a number of Direct Participants of DTC and Members of the National Securities Clearing
Corporation, Fixed Income Clearing Corporation and Emerging Markets Clearing Corporation
(NSCC, FICC and EMCC, also subsidiaries of DTCC), as well as by the New York Stock
Exchange, Inc., the American Stock Exchange, LLC, and the National Association of Securities
Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2007 M Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2007 M Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2007 M Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2007 M Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2007 M Bonds, except in the event that use of the book-entry system for the Series 2007 M Bonds is discontinued.

To facilitate subsequent transfers, all Series 2007 M Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2007 M Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2007 M Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2007 M Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2007 M Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2007 M Bonds unless authorized by a Direct Participant in accordance with DTC’s procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Bond Bank as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Series 2007 M Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).
Principal of and interest payments on the Series 2007 M Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the Bond Bank or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC’s records. Payments by Direct and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC (nor its nominee), the Paying Agent, any other Fiduciary or the Bond Bank, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Bond Bank or the Paying Agent, or any other Fiduciary, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursements of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2007 M Bonds at any time by giving reasonable notice to the Bond Bank or the Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2007 M Bond certificates are required to be printed and delivered to DTC.

The Bond Bank may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2007 M Bond certificates will be printed and delivered.

The information contained in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the Bond Bank believes to be reliable, but none of the Bond Bank, the City, the Qualified Entity or the Underwriter take any responsibility for the accuracy thereof, including any information contained on DTC’s website.

In the event that the book-entry system for the Series 2007 M Bonds is discontinued, the Paying Agent will provide for the registration of the Series 2007 M Bonds in the name of the Beneficial Owners thereof. The Bond Bank, the Trustee, the Paying Agent and any other Fiduciary would treat the person in whose name any Series 2007 M Bond is registered as the absolute owner of such Series 2007 M Bond for the purposes of making and receiving payment of the principal thereof and interest thereon, and for all other purposes, and none of these parties would be bound by any notice or knowledge to the contrary.

Revision of Book-Entry-Only System

In the event that the Bond Bank and the Trustee receive written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities as a clearing agency for the Series 2007 M Bonds or the Bond Bank elects to discontinue its use of DTC as a clearing agency for the Series 2007 M Bonds, then the Bond Bank and the Trustee, Paying Agent or Registrar will do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the Series 2007 M Bonds, as are necessary or appropriate to discontinue use of DTC as a clearing agency for the Series 2007 M Bonds and to transfer the

7
ownership of each of the Series 2007 M Bonds to such person or persons, including any other clearing agency, as the holder of such Series 2007 M Bonds may direct in accordance with the Indenture. Any expenses of such a discontinuation and transfer, including any expenses of printing new certificates to evidence the Series 2007 M Bonds will be paid by the Bond Bank.

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2007 M BONDS

The Series 2007 M Bonds will be issued under and secured by the Indenture. The principal of and interest on any and all of the Series 2007 M Bonds, together with any Additional Bonds, including the Bond Bank’s Bonds, Series 2006 B (the “Series 2006 B Bonds”), that may be authorized and issued by the Bond Bank under the Indenture on a parity with the Series 2007 M Bonds (collectively, the “Bonds”), are payable from those revenues and funds of the Bond Bank which, together with the Series 2007 M Qualified Obligations and all other qualified obligations pledged under the Indenture (collectively, the “Qualified Obligations”), are pledged pursuant to the Indenture for the benefit of the owners of the Bonds equally, ratably and without priority.

The Series 2007 M Bonds are limited obligations of the Bond Bank, payable solely from and secured exclusively by the Trust Estate. There can be no assurance that the Trust Estate will be sufficient to pay the principal of and interest on the Series 2007 M Bonds. The Series 2007 M Bonds do not constitute a debt, liability or loan of the credit of the City, the County, the State or any political subdivision thereof under the constitution and laws of the State, or a pledge of the faith, credit or taxing power of the City, the County, the State or any political subdivision thereof, including the City, the County or any qualified entity. The Bond Bank has no taxing power.

Under the Indenture, the Bonds are secured by a pledge to the Trustee of the Qualified Obligations and all principal and interest payments made or required to be made on the Qualified Obligations (the “Qualified Obligation Payments”), as described therein. In addition, the Indenture pledges to the payment of the Bonds all proceeds of the Trust Estate, including without limitation all cash and securities held in the Funds and Accounts created by the Indenture, except for the Rebate Fund and the accounts thereunder, together with investment earnings thereon and proceeds thereof (except to the extent transferred to the Rebate Fund from such Funds and Accounts under the Indenture), and all other funds, accounts and moneys to be pledged by the Bond Bank to the Trustee as security under the Indenture, to the extent of any such pledge. Under the Act and Indiana Code 5-1-14-4, such pledge is valid and binding from and after the date of delivery of the Series 2007 M Bonds under the Indenture and such Qualified Obligations and the Qualified Obligation Payments thereon shall be immediately subject to the lien of such pledge without any physical delivery of the payments or further act, and the lien of such pledge is valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Bond Bank, irrespective of whether such parties have notice thereof. The Qualified Obligation Payments with respect to the Series 2007 M Qualified Obligations have been structured as of the date of issuance of the Series 2007 M Bonds to be sufficient along with earnings thereon, and other money in the Funds and Accounts under the Indenture and the earnings thereon, to pay the principal of and interest on the Series 2007 M Bonds when due.
Bond Bank Reserve Fund and the Replenishment Thereof

Pursuant to the Indenture, the Bond Bank has established the Series 2007 M Debt Service Reserve Account within the Debt Service Reserve Fund, which will be held as security for the Series 2007 M Bonds and is required to be maintained in an amount at least equal to the Series 2007 M Reserve Requirement. The Series 2007 M Reserve Requirement is $344,712.50.*

The Act provides that, in order to maintain the Series 2007 M Debt Service Reserve Account at the Series 2007 M Reserve Requirement, the City-County Council may annually appropriate to the Bond Bank for deposit in the Series 2007 M Debt Service Reserve Account a sum, certified by the Chair of the Bond Bank to the City-County Council, that is necessary to restore the Series 2007 M Debt Service Reserve Account to the Series 2007 M Reserve Requirement. The Chair of the Bond Bank, before December 1 of each year, is required under the Act and the Indenture to make and deliver to the City-County Council a certificate stating the sum required to restore the Series 2007 M Debt Service Reserve Account to the Series 2007 M Reserve Requirement. Neither the Act nor the Indenture creates any debt or liability of the City or an obligation of the City-County Council to make any such appropriation. Although the City-County Council is not obligated to make such appropriations to replenish the Series 2007 M Debt Service Reserve Account, the City-County Council adopted an ordinance in January 2006 indicating its general intention to consider such appropriations, if necessary. Further, the City-County Council has approved the issuance of the Series 2007 M Qualified Obligations.

Moneys in the Series 2007 M Debt Service Reserve Account up to the amount of the Series 2007 M Reserve Requirement are required under the Indenture to be held and disbursed solely to the General Account for the payment of the interest on and principal of the Series 2007 M Bonds as provided in the Indenture. If moneys held in the Series 2007 M Debt Service Reserve Account exceed the Series 2007 M Reserve Requirement, such excess may be transferred in accordance with the Indenture.

In lieu of the required deposit of moneys in the Series 2007 M Debt Service Reserve Account, the Bond Bank may cause to be deposited therein a Series 2007 M Debt Service Reserve Fund Credit Facility meeting the requirements set forth in the Indenture, which shall be in an amount equal to the difference between the Series 2007 M Reserve Requirement and the amount of cash or Investment Securities, if any, then on deposit in the Series 2007 M Reserve Fund.

Additional Bond Bank Bonds

The Series 2007 M Bonds will be issued on parity with the Series 2006 Bonds, issued under the Indenture, currently outstanding in the amount of $16,275,000 and maturing over a period ending July 15, 2021. Additional bonds of the Bond Bank may be issued pursuant to the Indenture only for the purpose of (a) refunding (in whole or in part) Bonds issued by the Bond Bank pursuant to the Indenture or (b) purchasing additional qualified obligations of the Qualified Entity.

*This amount represents the maximum annual debt service on the Series 2007 M Bonds.
Qualified Obligations

**Qualified Obligations.** The Qualified Obligations will be issued by the City pursuant to an ordinance adopted by the City-County Council (the “Authorizing Instrument”). The Qualified Obligations will be issued in an aggregate principal amount equal to the aggregate principal amount of the Series 2007 M Bonds, and will be dated as of their date of delivery. The Qualified Obligations will mature in the same amounts and on the same dates as the Series 2007 M Bonds, and will bear interest payable on the same dates and at the same interest rates per annum as the Series 2007 M Bonds. Interest on the Qualified Obligations will be paid by wire transfer to the Trustee under the Indenture prior to each Interest Payment Date. Principal of and premium, if any, on the Qualified Obligations will be paid directly to the Trustee (for the account of the Bond Bank). The Qualified Obligations are subject to redemption prior to maturity upon terms substantially identical to the terms of redemption of the Series 2007 M Bonds. See “SERIES 2007 M BONDS.”

The Qualified Obligations are limited obligations of the City, payable solely from and secured exclusively by the revenues and assets pledged therefor under the Authorizing Instrument. See “Authorizing Instrument.” There can be no assurance that the revenues and assets pledged under the Authorizing Instrument will be sufficient to pay the principal of and interest on the Qualified Obligations, and thereby provide the Bond Bank sufficient revenues to pay the principal of and interest on the Series 2007 M Bonds. The Qualified Obligations do not constitute a debt, liability or loan of the credit of the State under the constitution and laws of the State or a pledge of the faith, credit or taxing power of the State or the City.

**Authorizing Instrument.** The Authorizing Instrument establishes the Revenue Fund, into which the City covenants to deposit, from legally available funds, amounts sufficient for the payment of the principal of and interest on the Qualified Obligations (such funds, upon deposit into the Revenue Fund, being the “Pledged Revenues”).

The City will use the proceeds of the Qualified Obligations to finance the Project. The structures contained in the Project will be or currently are owned by the Indianapolis-Marion County Building Authority (the “Building Authority”) and leased by the Building Authority to the City, its governmental agencies and/or departments (with the exception of the Animal Control Center which is owned by the City and maintained by the Building Authority). In connection with the Project, the City will enter into a Construction Oversight and Disbursement Agreement with the Building Authority whereby the Building Authority agrees to manage and oversee the construction of the Project.
A summary of certain terms and provisions of the Bonds (including the Series 2007 M Bonds) and the Indenture is contained in Appendix C.

**Enforcement of Qualified Obligations.** As purchaser of the Qualified Obligations, the Bond Bank will have available to it all remedies available to owners or holders of the Qualified Obligations. The Act provides that upon the sale and delivery of any qualified obligation to the Bond Bank, a qualified entity will be deemed to have agreed that all statutory defenses to nonpayment are waived in the event that such qualified entity fails to pay principal of or interest on such qualified obligations when due.

The Bond Bank will be constituted a holder or owner of securities that are in default. The Bond Bank is obligated under the Indenture to avail itself of all remedies and provisions of law applicable in the circumstances and the failure to exercise any right or remedy within a time or period provided by law may not, according to the Act, be raised as a defense by the defaulting qualified entity.

Further, the City has agreed under the Qualified Entity Purchase Agreement by and between the Bond Bank and the City (the “Purchase Agreement”) to report to the Bond Bank on its compliance with the certain covenants which the City has made regarding various actions and conditions necessary to preserve the tax-exempt status of interest paid on the Qualified Obligations. See “TAX MATTERS”. The Bond Bank has also determined to consult with the Qualified Entity, as necessary from time to time, with regard to the action needed to be taken by the Qualified Entity to preserve the exclusion of the interest on the Series 2007 M Bonds from the gross income of the holders of the Series 2007 M Bonds for federal income tax purposes. The Bond Bank will monitor the compliance and consult regularly with the Qualified Entity with respect to its requirements under the Qualified Obligations, including the making of Qualified Obligations payments to the Bond Bank.

**AGREEMENT WITH THE STATE**

The Act provides that the State will not limit or restrict the rights vested in the Bond Bank to fulfill the terms of any agreement made with the owners of the Series 2007 M Bonds or in any way impair the rights or remedies of the owners of the Series 2007 M Bonds for so long as the Series 2007 M Bonds are outstanding.

**FINANCIAL GUARANTY INSURANCE POLICY**

The following information has been provided by the Bond Insurer for use in this Official Statement. Neither the Bond Bank, the Qualified Entity nor the Underwriter make any representations as to the accuracy of the information contained of such information or as to the absence of material changes in such information. See “APPENDIX E — SPECIMEN OF BOND INSURANCE POLICY”.

The Bond Insurer has made a commitment to issue a financial guaranty insurance policy (the "Financial Guaranty Insurance Policy") relating to the Series 2007 M Bonds, effective as of the date of issuance of the Series 2007 M Bonds. Under the terms of the Financial Guaranty Insurance Policy, Ambac Assurance will pay to The Bank of New York, in New York, New
York, or any successor thereto (the "Insurance Trustee"), that portion of the principal of and interest on the Series 2007 M Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Obligor (as such terms are defined in the Financial Guaranty Insurance Policy). Ambac Assurance will make such payments to the Insurance Trustee on the later of the date on which such principal and/or interest becomes Due for Payment or within one business day following the date on which Ambac Assurance shall have received notice of Nonpayment from the Trustee. The insurance will extend for the term of the Series 2007 M Bonds and, once issued, cannot be canceled by Ambac Assurance.

The Financial Guaranty Insurance Policy will insure payment only on stated maturity dates and on mandatory sinking fund installment dates, in the case of principal, and on stated dates for payment, in the case of interest. If the Series 2007 M Bonds become subject to mandatory redemption and insufficient funds are available for redemption of all outstanding Series 2007 M Bonds, Ambac Assurance will remain obligated to pay the principal of and interest on outstanding Series 2007 M Bonds on the originally scheduled interest and principal payment dates, including mandatory sinking fund redemption dates. In the event of any acceleration of the principal of the Series 2007 M Bonds, the insured payments will be made at such times and in such amounts as would have been made had there not been an acceleration, except to the extent that Ambac Assurance elects, in its sole discretion, to pay all or a portion of the accelerated principal and interest accrued thereon to the date of acceleration (to the extent unpaid by the Obligor). Upon payment of all such accelerated principal and interest accrued to the acceleration date, Ambac Assurance's obligations under the Financial Guaranty Insurance Policy shall be fully discharged.

In the event the Trustee has notice that any payment of principal of or interest on a Series 2007 M Bond that has become Due for Payment and that is made to a holder by or on behalf of the Obligor has been deemed a preferential transfer and theretofore recovered from its registered owner pursuant to the United States Bankruptcy Code in accordance with a final, non-appealable order of a court of competent jurisdiction, such registered owner will be entitled to payment from Ambac Assurance to the extent of such recovery if sufficient funds are not otherwise available.

The Financial Guaranty Insurance Policy does not insure any risk other than Nonpayment (as set forth in the Financial Guaranty Insurance Policy). Specifically, the Financial Guaranty Insurance Policy does not cover:

(i) payment on acceleration, as a result of a call for redemption (other than mandatory sinking fund redemption) or as a result of any other advancement of maturity;

(ii) payment of any redemption, prepayment or acceleration premium; and

(iii) nonpayment of principal or interest caused by the insolvency or negligence of the Trustee, Paying Agent or Bond Registrar, if any.

If it becomes necessary to call upon the Financial Guaranty Insurance Policy, payment of principal requires surrender of the Series 2007 M Bonds to the Insurance Trustee together with an appropriate instrument of assignment so as to permit ownership of such Series 2007 M Bonds to be registered in the name of Ambac Assurance to the extent of the payment under the
Financial Guaranty Insurance Policy. Payment of interest pursuant to the Financial Guaranty Insurance Policy requires proof of holder entitlement to interest payments and an appropriate assignment of the holder's right to payment to Ambac Assurance.

Upon payment of the insurance benefits, Ambac Assurance will become the owner of the Series 2007 M Bond, appurtenant coupon, if any, or right to payment of the principal of or interest on such Series 2007 M Bond and will be fully subrogated to the surrendering holder's rights to payment.

Ambac Assurance Corporation

Ambac Assurance is a Wisconsin-domiciled stock insurance corporation regulated by the Office of the Commissioner of Insurance of the State of Wisconsin, and is licensed to do business in 50 states, the District of Columbia, the Territory of Guam, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, with admitted assets of approximately $10,608,000,000 (unaudited) and statutory capital of approximately $6,893,000,000 (unaudited) as of September 30, 2007. Statutory capital consists of Ambac Assurance's policyholders' surplus and statutory contingency reserve. Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc., Moody's Investors Service, Inc. and Fitch Ratings have each assigned a triple-A financial strength rating to Ambac Assurance.

Ambac Assurance has obtained a ruling from the Internal Revenue Service to the effect that the insuring of an obligation by Ambac Assurance will not affect the treatment for federal income tax purposes of interest on such obligation and that insurance proceeds representing maturing interest paid by Ambac Assurance under policy provisions substantially identical to those contained in the Financial Guaranty Insurance Policy shall be treated for federal income tax purposes in the same manner as if such payments were made by the Obligor.

Ambac Assurance makes no representation regarding the Series 2007 M Bonds or the advisability of investing in the Series 2007 M Bonds and makes no representation regarding, nor has it participated in the preparation of, this Official Statement other than the information supplied by Ambac Assurance and presented under the heading “BOND INSURANCE AND SURETY BOND”.

DEBT SERVICE RESERVE FUND CREDIT FACILITY

Debt Service Reserve Fund Ambac Assurance Surety Bond

The Indenture requires the establishment of the Series 2007 M Debt Service Reserve Account in an amount equal to the Series 2007 M Reserve Requirement. The Indenture authorizes the Obligor to obtain a Surety Bond in place of fully funding the Series 2007 M Debt Service Reserve Account. Accordingly, application has been made to the Bond Insurer for the issuance of a Surety Bond for the purpose of funding the Series 2007 M Debt Service Reserve
Account (see “OPERATION OF FUNDS AND ACCOUNTS” herein). The Series 2007 M Bonds will only be delivered upon the issuance of such Surety Bond. The premium on the Surety Bond is to be fully paid at or prior to the issuance and delivery of the Series 2007 M Bonds. The Surety Bond provides that upon the later of (i) one (1) day after receipt by the Bond Insurer of a demand for payment executed by the Trustee certifying that provision for the payment of principal of or interest on the Series 2007 M Bonds when due has not been made or (ii) the interest payment date specified in the Demand for Payment submitted to the Bond Insurer, the Bond Insurer will promptly deposit funds with the Paying Agent sufficient to enable the Paying Agent to make such payments due on the Series 2007 M Bonds, but in no event exceeding the Surety Bond Coverage, as defined in the Surety Bond.

Pursuant to the terms of the Surety Bond, the Surety Bond Coverage is automatically reduced to the extent of each payment made by the Bond Insurer under the terms of the Surety Bond and the Obligor is required to reimburse the Bond Insurer for any draws under the Surety Bond with interest at a market rate. Upon such reimbursement, the Surety Bond is reinstated to the extent of each principal reimbursement up to but not exceeding the Surety Bond Coverage. The reimbursement obligation of the Obligor is subordinate to the Obligor’s obligations with respect to the Series 2007 M Bonds.

In the event the amount on deposit, or credited to the Series 2007 M Debt Service Reserve Account, exceeds the amount of the Surety Bond, any draw on the Surety Bond shall be made only after all the funds in the Series 2007 M Debt Service Reserve Account have been expended. In the event that the amount on deposit in, or credited to, the Series 2007 M Debt Service Reserve Account, in addition to the amount available under the Surety Bond, includes amounts available under a letter of credit, insurance policy, Surety Bond or other such funding instrument (the “Additional Funding Instrument”), draws on the Surety Bond and the Additional Funding Instrument shall be made on a pro rata basis to fund the insufficiency. The Indenture provides that the Series 2007 M Debt Service Reserve Account shall be replenished in the following priority: (i) principal and interest on the Surety Bond shall be paid from first available Revenues; (ii) after all such amounts are paid in full, amounts necessary to fund the Series 2007 M Debt Service Reserve Account to the required level, after taking into account the amounts available under the Surety Bond shall be deposited from next available Revenues.

The Surety Bond does not insure against nonpayment caused by the insolvency or negligence of the Trustee or the Paying Agent.

For additional information on Ambac Assurance see “FINANCIAL GUARANTY INSURANCE POLICY” herein.

Under the Act, the Bond Bank is authorized to issue other series of notes or bonds to finance different programs to accomplish its purposes. Under separate trust indentures and other instruments authorized under the Act, the Bond Bank has previously issued and had outstanding as of November 1, 2007, an aggregate long-term principal amount of approximately Three Billion One Hundred Sixty Million Forty Thousand Eight Hundred Fifty-Nine Dollars ($3,160,040,859) in separate program obligations (which amount does not include the Series 2007 M Bonds). Certain of the foregoing obligations of the Bond Bank may mature or otherwise be defeased prior to the issuance of the Series 2007 M Bonds. All such obligations are and will be secured separately and independently and do not and will not constitute Bonds under the Indenture or for purposes of this Official Statement.
THE CITY OF INDIANAPOLIS AND MARION COUNTY

Governance

The City is a municipal corporation located in the County. It is the largest city in the State and the thirteenth largest city by population in the United States. In 1970, the governments of the City and the County were consolidated to form the State’s only consolidated city, which provides services generally throughout the County in which the City is located. By the consolidating act, the boundaries of the City were extended to the County line, although the municipalities of Beech Grove, Lawrence, Speedway and Southport were excluded.

The executive of the City is the Mayor who is elected by all the voters of the County. The Mayor, who may serve an unlimited number of four-year terms, has extensive appointive powers and also serves as chief executive officer of the County. The executive authority is administered through six departments: Administration, Executive and Legislative, Metropolitan Development, Parks and Recreation, Public Safety and Public Works. Beginning January 1, 2007, a seventh department, the Indianapolis Metropolitan Police Department (IMPD), became effective.

The legislative body of the City and the County is the Council. The Council approves the annual budget and any tax levies for the City, the Qualified Entity and other special taxing districts of the City and the County. The Council also is empowered to adopt or to review and modify the budgets and tax levies of certain other municipal corporations located within the County. The Council is required to approve the issuance of additional debt of the Qualified Entity. In addition, the Council is required to approve any increases to fees charged by the Qualified Entity.

As a result of the November 6, 2007 municipal election, a new mayor will assume office on January 1, 2007, who will appoint new directors of the aforementioned departments. In addition, the municipal election resulted in new leadership of the Council and its standing committees.

The City’s Comprehensive Annual Financial Report for the year ended December 31, 2006 is filed with and available from the NRMSIRs. See “AVAILABILITY OF DOCUMENTS AND FINANCIAL INFORMATION.” Certain recent developments regarding the City’s finances are described below.

Recent Developments Regarding City and County Finances

Governmental Consolidation

During the 2005 session of the Indiana General Assembly, the City proposed legislation to consolidate certain City and County governmental functions, such as the provision of police protection and the provision of fire protection. The City’s goal in proposing this legislation was to effect cost savings and address projected budget deficits in future years. The Indiana General Assembly adopted a portion of this legislation to permit the Council to approve consolidation of the City’s police department with the law enforcement division of the Marion County Sheriff’s
Department ("MCSD"). The Council approved the consolidation of the City’s police department with the MCSD in December 2005. The consolidation became effective on January 1, 2007.

The legislation also permits the Council and each township to determine by adoption of similar ordinances to consolidate a township fire department with the City’s fire department. The City’s fire department serves only the central area of the City, and eight township fire departments serve the remainder of the County (except for the excluded municipalities). Two townships, Washington Township and Warren Township, have agreed to merge their respective fire departments with the City’s fire department effective January 1, 2007, and July 1, 2007, respectively. The City’s administration believes that full consolidation of all fire departments could provide significant savings to the City, County and townships. During the 2007 session of the Indiana General Assembly legislation proposed by the City that would implement the remainder of the consolidation plan, including consolidation of the remaining fire departments (without the necessity of adoption of ordinances by the affected townships) and additional consolidation of other components of city and township government failed to pass. However, it is anticipated that the City will continue to pursue similar consolidation legislation in the future.

**Pension Liability**

The City maintains single-employer retirement plans covering police and firefighters hired on or before April 30, 1977. Retirement benefits are available after twenty years of service. State law grants authority for these pension plans and sets the regulations covering benefits. Participants contribute three percent (3%) and the City contributes twenty-four percent (24%) of base salary, defined as the salary of a first class police officer or firefighter with twenty (20) years of experience. As these salaries increase year by year, benefits are directly adjusted. After participant contributions and pension assistance from the State are projected, property taxes and County Option Income Taxes ("COIT") are levied to provide funding for the anticipated benefit payments for the year budgeted, resulting in benefit payments funded on a "pay-as-you-go" basis. No significant plan assets are accumulated for the payment of future benefits, except as discussed below.

The City currently has an aggregate unfunded liability of approximately Four Hundred Fifty Million Dollars ($450,000,000) (net present value) over the next twenty-five (25) years in these pension plans. In January 2005, the City issued $100 million in taxable pension funding bonds payable from property taxes. The proceeds were deposited to a pension fund stabilization account and are expected to be used to fund a portion of the annual pension costs through 2008. In addition, the City has received approximately One Hundred Fifty Million Eight Hundred Thousand Dollars ($150,800,000) in pension assistance from the State since 2002 and expects to seek additional assistance from the State. The City has the ability to levy ad valorem property taxes to fund deficits in these pension funds on an annual basis. During the 2007 session of the Indiana General Assembly, legislation was enacted which provides the City the authority to issue additional pension obligation bonds in an amount which the City believes will be sufficient to pay for its projected unfunded liability on a net present value basis.
**COIT Increase**

The Council voted on February 22, 2005, to increase COIT in the County from the then-current rate of 0.7% to 1.0%, the maximum rate then permitted by law. The increase is effected over a three (3) year period, commencing July 1, 2005, with a 0.1% increase per year. Currently, COIT is used by the City and County to partially fund public safety services and to pay debt service on bonds issued to finance various economic development projects, among other things. The members of the Council have indicated an intention to use the increased COIT revenues, which resulted from the rate increase approved by the Council in 2005, to improve the County’s criminal justice system, including potentially funding additional courts and jail facilities.

During the 2007 session of the Indiana General Assembly, legislation was enacted which allows for additional COIT rates that are above the maximum rate set forth in the prior paragraph. These additional COIT rates may be imposed in amounts not to exceed (a) 1.0% for funding certain city, county and state expenses, (b) 0.5% for funding public safety expenses and related pension expenses, and (c) 1.0% for general property tax relief for all local governmental units in the County.

On July 23, 2007, the Council voted to increase COIT in the County by an additional 0.65%, raising the total rate to 1.65% effective October 1, 2007. A portion of the additional COIT will be distributed to other civil taxing units (other than schools) located within Marion County. The additional COIT is estimated to generate approximately Ninety Million Dollars ($90,000,000) per year for the City and County and is expected to be used to fund public safety pensions, hire additional police officers, maintain and enhance improvements to the criminal justice system previously implemented in 2006, and implement additional enhancements to the criminal justice system and additional crime prevention programs. The adoption of the increased COIT also includes a freeze on property tax levies for at least two years by all local taxing units in the County except schools. On September 6, 2007, a group of taxpayers filed a lawsuit in the Indiana Tax Court against the State, certain State agencies, the City, and certain elected officials of the State, the City and County requesting declaratory and injunctive relief relating to property tax assessments, property tax refunds, property tax rates and imposition of certain local income taxes. The lawsuit included a request for declaratory judgment that the Council ordinance enacting the increase in the COIT rate in Marion County be rendered void and a request for an injunction to prevent the collection of the increased COIT. While the ultimate outcome of the litigation cannot be predicted with certainty, the City intends to vigorously oppose the claims relating to the COIT increase and believes such claims are without merit.

**PTRC Litigation**

The Indiana General Assembly also adopted legislation in 2005 to withhold distributions of property tax replacement credits ("PTRC") to governmental units owing money to the State. The legislation provides that the Auditor of the State may reduce distributions of PTRC to any county with an outstanding balance owed to the State’s Department of Correction for the maintenance of juvenile inmates prior to June 2005. The reductions are spread equally over the State fiscal years ending 2006 through 2009, commencing in August 2005. The County owed approximately Sixty-Seven Million Dollars ($67,000,000) to the State for maintenance of the County’s juvenile inmates. After adoption of the legislation, the County filed to enjoin the State from reducing its PTRC distributions. While the preliminary injunction request was pending, the
State was ordered to make a full distribution of PTRC in August 2005. However, the request for the injunction was ultimately denied, and the State began reducing the County’s PTRC distribution in September 2005. The County filed a lawsuit against the State challenging the constitutionality of the legislation, and that lawsuit is still pending.

In November 2005, the Council adopted Ordinance 163, 2005 which established the Marion County Juvenile Incarceration Debt Service Fund, set a property tax rate associated with the fund and authorized a Memorandum of Understanding (the "MOU") with the State of Indiana. Under the MOU, the County agreed to the State’s withholding certain PTRC to the County in 2006, 2007, 2008 and 2009 totaling Sixty-Four Million One Hundred Fifty Thousand Seven Hundred Twenty-Nine Dollars ($64,150,729) for the past-due juvenile incarceration charges. The tax levy authorized by the Council Ordinance, together with revenues collected in the Debt Service Fund, will be used to offset the loss of the PTRC for budgetary purposes. A separate levy has been assessed to stay current on the ongoing juvenile incarceration charges. The MOU has no bearing on the pending lawsuit, which the City continues to pursue.

**Budget Matters**

As a part of the 2006 budget approved by the City in September 2005, a reduction (primarily through attrition) of one hundred twenty-seven (127) police officers was contemplated. However, public safety concerns raised during 2006 led the City to not implement this reduction, which resulted in an estimated additional cost in 2006 of approximately Four Million Three Hundred Sixty-Eight Thousand Dollars ($4,368,000) and an estimated additional cost in 2007, which was in addition to the additional cost in 2006, of approximately Seven Million Ninety-Eight Thousand Dollars ($7,098,000). All of these additional costs were funded from a portion of the City’s fund balances and non-recurring revenues. In September 2006, the City approved the 2007 budgets for the City and the County, which included the use of approximately Sixty-Two Million Dollars ($62,000,000) of non-recurring revenues, comprised of proceeds of the pension obligation bonds of approximately Thirty Million Two Hundred Thousand Dollars ($30,200,000) and county option income tax reserves incorrectly withheld by the State of Indiana and subsequently distributed in the amount of approximately Twenty-Two Million Dollars ($22,000,000), and a portion of the fund balance of approximately Nine Million Eight Hundred Thousand Dollars ($9,800,000). Such non-recurring revenues and fund balances represented approximately six and two-tenths percent (6.2%) of the aggregate revenues to be used by the City and County in 2007. As stated earlier in this section of the Official Statement, certain legislation was enacted during the 2007 session of the Indiana General Assembly, which was supported by the City. Such legislation included provisions relating to a local unit’s authority to raise local non-property tax revenues to fund the increasing cost of local services, thereby reducing the dependence on local property tax revenues and the use of non-recurring revenue sources and fund balances, and the issuance of additional pension obligation bonds to address the existing unfunded pension liability discussed earlier in this section of the Official Statement. On July 23, 2007, the Council voted to increase COIT in the County. See “— COIT Increase” above. Additional components of the legislation require certain additional action by the Council.

On August 6, 2007, Indianapolis Mayor Peterson presented the City and County budget for fiscal year 2008 to the Council. The proposed 2008 budget includes additional public safety and
criminal justice expenditures as described under “– COIT Increase” above, and an approximately $50 million reduction in the property tax levy for the City and County. By utilizing the additional COIT revenues expected to be generated in 2008, the proposed budget does not require the City and County to draw on existing fund balances or significant non-recurring revenues.

2007 Property Tax Collections

On August 1, 2007, the State Department of Local Government Finance ("DLGF") ordered a reassessment of all real property in the County to be completed by February 1, 2008. The DLGF order requires the County Assessor to retain a firm or firms of professional appraisers to perform the reassessment of non-residential property, and authorizes the County Assessor to retain one or more firms of professional appraisers to perform the reassessment of residential property, in each case subject to the approval and supervision of the DLGF. In addition, the DLGF order declares the 2007 certified tax rates and assessed values are void, but generally provides that tax payments will be based upon the 2006 assessment and tax rate, with certain adjustments for changes in homestead credits, construction-in-process, division of parcels and other similar items. Pursuant to the DLGF order, the spring installment of taxes was due August 10, 2007, the fall installment is to be due November 13, 2007, with reconciliation bills based on the reassessment values to be sent no later than April 14, 2008, with payments due on April 30, 2008.

The City and County expect that the result of the order by the DLGF will be the receipt of significantly lower tax collections during fiscal year 2007 than originally budgeted. However, the overall 2007 tax levy for the City and County will remain the same, and upon completion of the reassessment and distribution of reconciliation bills, the City and County should be able to collect the full property tax levy, subject to normal delinquencies and non-payments. The City and County currently issue tax anticipation warrants to fund government expenditures pending receipt of property tax collections. The City and County expect to extend or renew existing tax anticipation warrants and/or issue additional tax anticipation warrants to fund additional cashflow deficits resulting from the delayed tax collections in 2007.

Economics and Demographics

Indianapolis is Indiana’s largest city and is also the State’s capital. Since 1980, Indianapolis has experienced consistent population growth, increasing from approximately 765,000 persons in 1980 to 861,760 in 2005 (based on the 2007 U.S. Census estimates), or 12.5% during the period. Located at roughly the geographic center of the State, Indianapolis is the crossroads for more major interstate highways than any other city in the United States. Based on U.S. Bureau of Labor Statistics data for 2005, three-quarters of businesses are within one day’s truck drive of Indianapolis. Indianapolis’ airport is ranked 8th in North America and 20th in the world for cargo shipments. (Source: The Indianapolis Airport Authority)

Indianapolis historically has had both a higher level and a faster rate of growth for per capita income than either the State or national averages. For the decade 1995-2005, Indianapolis' per capita income grew 51.99%, versus 45.61% for Indiana and 49.38% for the United States,
based on data from the Bureau of Economic Analysis, 2007. Per capita income in Indianapolis reached $36,286 in 2005, while the State's average was $31,173 and the United States' average was $34,471, which are also based on data from the Bureau of Economic Analysis, 2007. Although manufacturing is an important source of high wage jobs, especially in the pharmaceutical and automotive sectors, Indianapolis has a diverse economic base. The Professional, Scientific, Management, Administrative and Waste Management Service sector is the largest single sector of employment with over 104,000 employees, while Education and Health Care is the second leading source of jobs in the area with 84,562 employees.

Pursuant to the Indenture, the Trustee will deposit the net proceeds of the Series 2007 M Bonds, together with other moneys into these Funds and Accounts as described below. Appendix C sets forth a summary of certain provisions of the Indenture.
Creation of Funds and Accounts

The Indenture establishes the following Funds, Accounts and Subaccounts to be held by the Trustee:

1. General Fund - comprised of the following:
   (a) General Account - (including the Series 2006 B General Subaccount and the Series 2007 M General Subaccount)
   (b) Bond Issuance Expense Account
   (c) Redemption Account - (including the Series 2006 B Redemption Subaccount and the Series 2007 M Redemption Subaccount)

Deposit of Net Proceeds of the Series 2007 M Bonds, Revenues and Other Receipts

Upon the delivery of the Series 2007 M Bonds and receipt of the proceeds therefor, the Trustee will deposit the proceeds from the sale of the Series 2007 M Bonds, together with other moneys made available by the Bond Bank, as follows:

   (a) Into the Bond Issuance Expense Account, the amount of $120,000, which will be used to pay Costs of Issuance (other than underwriter’s discount retained by the underwriter in the amount of $24,134.20, the premium for the Series 2007 M Financial Guaranty Insurance Policy paid by the underwriter directly to the Series 2007 M Bond Insurer for and on behalf of the Bond Bank in the amount of $30,000, and the premium for the Series 2007 M Debt Service Reserve Fund Credit Facility paid by the underwriter directly to the Series 2007 M Debt Service Reserve Fund Credit Provider for and on behalf of the Bond Bank in the amount of $12,000); and

   (b) Into the Series 2007 M General Subaccount of the General Account, the amount of $3,290,986.50, a portion of which, in the amount of $3,211,917.61, will be used for payment to the Series 2007 M Qualified Entity in purchasing the Series 2007 M Qualified Obligations, and the remaining portion of which, in the amount of $79,068.89 for capitalized interest, will be used to pay a portion of the interest on the Series 2007 M Bonds due through July 15, 2008.

The Trustee will deposit all Revenues and all other receipts (except the proceeds of the Series 2007 M Bonds, and moneys received by the Bond Bank from the sale or redemption prior to maturity of the Series 2007 M Qualified Obligations) into the General Account of the General Fund and will deposit any moneys received from the sale or redemption prior to maturity of the Series 2007 M Qualified Obligations into the Redemption Account of the General Fund.
Thereafter, the Trustee will deposit the proceeds of any Refunding Bonds as provided under the Supplemental Indenture authorizing the issuance of such Refunding Bonds.

OPERATION OF FUNDS AND ACCOUNTS

General Fund

General Account. The Trustee will deposit in the General Account of the General Fund all moneys required to be deposited therein pursuant to the Indenture. The Trustee will invest such funds in accordance with the Indenture and will make the following payments from the General Account on the specific dates, and if there are not sufficient funds to make all the payments required, with the following order of priority:

(a) On the date of initial delivery of the Series 2007 M Bonds and upon the submission of requisitions of the Bond Bank signed by an Authorized Officer, stating that all of the requirements with respect to such financing set forth in the Indenture have been or will be complied with, an amount sufficient to acquire the Series 2007 M Qualified Obligations;

(b) On or before 10:00 A.M. in the city in which the Trustee is located, on the business day next preceding each Interest Payment Date, to the Trustee such amount as shall be necessary to pay the principal and interest coming due on the Bonds on such Interest Payment Date;

(c) As soon as funds become available, and only to the extent necessary, to the Debt Service Reserve Fund, sufficient amounts to assure that the Reserve Requirement is met;

(d) At such times as shall be necessary, amounts to pay the Program Expenses, but only to the extent contemplated in the most recent Cash Flow Certificate;

(e) On or before thirty (30) days after each anniversary of the issuance of the Series 2007 M Bonds, any amount necessary to comply with any Rebate Fund requirements; and

(f) After making such deposits and disbursements and after the Trustee will make a determination of the amounts reasonably expected to be received in the form of Qualified Obligation Payments under the Indenture in the succeeding twelve months, to any other fund or account maintained by the Bond Bank, regardless of whether such fund or account is subject to the lien of the Indenture, all moneys in the General Fund which, together with such expected receipts for the succeeding twelve months, are in excess of the amounts needed to pay principal of and interest on the Bonds within the immediately succeeding twelve-month period. No moneys shall be so transferred unless the Bond Bank provides the Trustee with a Cash Flow Certificate to the effect that after such transfer, Revenues expected to be received, together with moneys expected to be held in
the Funds and Accounts, will at least equal debt service on all Outstanding Bonds together with Program Expenses, if any.

**Bond Issuance Expense Account.** The Trustee will disburse the amounts held in the Bond Issuance Expense Account upon receipt of invoices or requisitions certified by the Executive Director of the Bond Bank to pay the Costs of Issuance of the Bonds or to reimburse the Bond Bank for amounts previously advanced for such costs. On June 1, 2008, any amounts remaining in the Bond Issuance Expense Account will be transferred to the General Account.

**Redemption Account.** (a) The Trustee will deposit in the Redemption Account all moneys received upon the sale or redemption prior to maturity of the Qualified Obligations and will disburse the funds in the Redemption Account as follows:

1. On the first day of each month, to the General Account amounts of moneys equal to the amount of principal which would have been payable on the fifteenth day of such month if such Qualified Obligations had not been sold or redeemed prior to maturity.

2. On the second business day next preceding each Interest Payment Date if moneys in the General Account are not sufficient to make the payments of principal and interest required to be made on such date, the Trustee shall transfer to the Series 2006 B General Subaccount and the Series 2007 M General Subaccount of the General Account moneys in the Redemption Account not already committed to the redemption of Bonds for which notice of redemption has been given.

3. After making provisions for the required transfers to the General Account as described in subparagraphs (1) and (2) above, (i) to redeem Bonds of such maturity or maturities as directed by an Authorized Officer of the Bond Bank, if such Bonds are then subject to redemption, (ii) to the extent there are any excess moneys in the Redemption Account, to the General Account, (iii) to purchase Bonds of such maturity or maturities as directed by an Authorized Officer at the most advantageous price obtainable with reasonable diligence, whether or not such Bonds are then subject to redemption, or (iv) to make investments of such moneys until the payment of Bonds at their maturity or maturities as directed by an Authorized Officer in accordance with the Indenture. Such purchase price may not, however, exceed the Redemption Price which would be payable on the next ensuing date on which the Bonds so purchased are redeemable according to their terms unless the Bond Bank provides the Trustee with a Cash Flow Certificate to the effect that the purchase at a price in excess of the Redemption Price will not result in Revenues, together with moneys expected to be held in the Funds and Accounts, being less than an amount equal to debt service on all Outstanding Bonds together with Program Expenses, if any. The Trustee will pay the interest accrued on the Bonds so purchased to the date of delivery thereof from the General Account and the balance of the purchase price from the Redemption Account, but no such purchase shall be made by the Trustee within the period of sixty (60) days next preceding an Interest Payment Date or a date on which such Bonds are subject to redemption under the provisions of the Indenture or the Supplemental Indenture authorizing the issuance of such Bonds. The Trustee will...
deliver the Bonds so purchased to the Trustee within five (5) days from the date of delivery to the Trustee.

(4) In the event that the Trustee is unable to purchase Bonds as described in clause (iii) of subparagraph (3) above, then, subject to restrictions on redemption set forth in the Indenture, the Trustee will call for redemption on the next redemption date such amount of Bonds of such maturity or maturities as directed by an Authorized Officer of the Bond Bank as will exhaust the Redemption Account as nearly as may be possible at the applicable Redemption Price. The Trustee will pay the interest accrued on any such redeemed Bonds to the date of redemption from the General Account and will pay the Redemption Price from the Redemption Account.

(b) The Trustee may, upon written direction from the Bond Bank, transfer any moneys in the Redemption Account to the General Account if the Bond Bank provides the Trustee with a Cash Flow Certificate to the effect that after such transfer and after any transfer from the General Account to the Bond Bank, Revenues, together with moneys expected to be held in the Funds and Accounts, will at least equal debt service on all Outstanding Bonds along with Program Expenses, if any.

**Debt Service Reserve Fund**

The Trustee will deposit in the Debt Service Reserve Fund all moneys required to be deposited therein pursuant to the Indenture, will invest such funds, and, except as provided in the Indenture, will disburse the funds held in the Debt Service Reserve Fund solely to the General Account for the payment of interest on and principal of the Bonds and only in the event that moneys in the General Account are insufficient to pay principal of and interest on the Bonds after all of the transfers thereto required to be made under the Indenture from the Redemption Account have been made. Amounts in the Debt Service Reserve Fund in excess of the Reserve Requirement will be transferred to the General Account or the Redemption Account, as directed by the Bond Bank.

The Bond Bank may cause to be deposited into the Series 2007 M Debt Service Reserve Account within the Debt Service Reserve Fund for the benefit of the holders of the Series 2007 M Bonds a Series 2007 M Debt Service Reserve Fund Credit Facility. If such deposit causes the Series 2007 M Debt Service Reserve Account to be equal to the Series 2007 M Reserve Requirement, moneys in the Series 2007 M Debt Service Reserve Account in excess of that needed for the Series 2007 M Debt Service Reserve Account to be equal to the Series 2007 M Reserve Requirement will be moved in accordance with the Indenture, subject to the satisfaction of any Debt Service Reserve Fund Reimbursement Obligations from such excess as described below. If a disbursement is made pursuant to a Series 2007 M Debt Service Reserve Fund Credit Facility, the Bond Bank will be obligated (but solely from the appropriations, if any, made and available pursuant to the Indenture or if otherwise available from the Trust Estate) within twelve months from the date on which such disbursement was made, to cure such deficiency, either (i) to reinstate the maximum limits of such Series 2007 M Debt Service Reserve Fund Credit Facility or (ii) to deposit cash into the Series 2007 M Debt Service Reserve Account, or a combination of such alternatives, so that the Series 2007 M Debt Service Reserve Account is
equal to the Series 2007 M Reserve Requirement. The Trustee will include in the total amount held in the Series 2007 M Debt Service Reserve Account an amount equal to the maximum principal amount which could be drawn by the Trustee under any such Series 2007 M Debt Service Reserve Fund Credit Facility on deposit with the Trustee. Amounts required to be deposited in the Series 2007 M Debt Service Reserve Account will include any amount required to satisfy a Debt Service Reserve Fund Reimbursement Obligation for any Series 2007 M Debt Service Reserve Fund Credit Facility. The Trustee is authorized to move the amounts to satisfy the Debt Service Reserve Fund Reimbursement Obligations to the provider of the Series 2007 M Debt Service Reserve Fund Credit Facility. See “DEBT SERVICE RESERVE FUND CREDIT FACILITY” herein.

**Rebate Fund**

The Trustee will establish and maintain, so long as any Bonds are outstanding and are subject to a requirement that arbitrage profits be rebated to the United States, a separate fund to be known as “Rebate Fund” and within the Rebate Fund the “Series 2006 B Rebate Account” and the “Series 2007 M Rebate Account”. The Trustee will make information regarding the Bonds and investments hereunder available to the Bond Bank and will make deposits in and disbursements from the Rebate Fund in accordance with the written instructions received from the Bond Bank and pursuant to the Indenture, will invest the Rebate Fund pursuant to written investment instructions received from the Bond Bank and will deposit income from such investments immediately upon receipt thereof in the Rebate Fund.

If a deposit to the Series 2006 B Rebate Account or the Series 2007 M Rebate Account of the Rebate Fund is required as a result of the computations made by the Bond Bank, the Trustee will upon receipt of written directions from the Bond Bank accept such payment for the benefit of the Bond Bank and make transfers of moneys from the General Account to the Series 2006 B Rebate Account or the Series 2007 M Rebate Account to comply with such direction. If amounts in excess of that required to be rebated to the United States of America accumulate in the Rebate Fund, the Trustee will upon written direction from the Bond Bank transfer such amount to the General Account. Records of the determinations required by the Indenture and the investment instructions must be retained by the Trustee until six (6) years after the Bonds are no longer outstanding.

Not later than sixty (60) days after the fifth anniversary date of the date of issuance of the 2007 M Bonds, and every five (5) years thereafter, the Bond Bank will pay to the United States the amount required to be paid to the United States pursuant to the Code as of such payment date, and not later than sixty (60) days after the final retirement of the Series 2007 M Bonds and any subsequently issued tax-exempt Bonds, the Bond Bank will pay to the United States the amount required to be paid to the United States pursuant to the Code as of such retirement date. Each payment required to be paid to the United States pursuant to the Indenture will be, together with a properly completed Internal Revenue Service Form 8038-T, filed with the Internal Revenue Service Center, Ogden, Utah 84201.
Amounts Remaining in Funds

Any amounts remaining in any Fund or Account after full payment of all of the Bonds outstanding under the Indenture, all required rebates and the fees, charges and expenses of the Trustee will be distributed to the Bond Bank.

LITIGATION

There is not now pending or, to the Bond Bank’s knowledge, threatened any litigation: restraining or enjoining the issuance, sale, execution or delivery of the Series 2007 M Bonds; seeking to prohibit any transactions contemplated by the Indenture; or in any way contesting or affecting the validity of the Series 2007 M Bonds or the Series 2007 M Qualified Obligations or any proceedings of the Bond Bank taken with respect to the issuance or sale of the Series 2007 M Bonds, or the Pledges (as hereinafter defined under the caption “ENFORCEABILITY OF REMEDIES”) or application of any moneys or security provided for payment of the Series 2007 M Bonds or the Series 2007 M Qualified Obligations. Neither the creation, organization or existence of the Bond Bank nor the title of any of the present directors or other officers of the Bond Bank to their respective offices is being contested.

TAX MATTERS

In the opinion of Krieg DeVault LLP, Indianapolis, Indiana, Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the Series 2007 M Bonds is excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended and in effect on the date of issuance of the Series 2007 M Bonds (the “Code”). This opinion relates only to the exclusion from gross income of interest on the Series 2007 M Bonds for federal income tax purposes under Section 103 of the Code and is conditioned on continuing compliance by the Bond Bank and City with the Tax Covenants (hereinafter defined). Failure to comply with the Tax Covenants could cause interest on the Series 2007 M Bonds to lose the exclusion from gross income for federal income tax purposes retroactive to the date of issue. In the opinion of Krieg DeVault LLP, Indianapolis, Indiana, Bond Counsel, under existing laws, regulations, judicial decisions and rulings, interest on the Series 2007 M Bonds is exempt from income taxation in the State of Indiana (“State”). See Appendix B for the form of Bond Counsel opinion.

The Code imposes certain requirements which must be met subsequent to the issuance of the Series 2007 M Bonds as a condition to the exclusion from gross income of interest on the Series 2007 M Bonds for federal income tax purposes. The Bond Bank and City will covenant not to take any action, within their respective power and control, nor fail to take any action with respect to the Series 2007 M Bonds that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Series 2007 M Bonds pursuant to Section 103 of the Code (collectively, “Tax Covenants”). The Indenture, the Resolution, the Authorizing Instrument and certain certificates and agreements to be delivered on the date of delivery of the Series 2007 M Bonds establish procedures to permit compliance with the requirements of the Code. It is not an event of default under the Indenture if interest on the Series 2007 M Bonds is not excludable from gross income for federal tax purposes or otherwise
pursuant to any provision of the Code which is not in effect on the date of issuance of the Series 2007 M Bonds.

The interest on the Series 2007 M Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes. However, interest on the Series 2007 M Bonds is included in adjusted current earnings in calculating corporate alternative minimum taxable income for purposes of the corporate alternative minimum tax.

Indiana Code 6-5.5 imposes a franchise tax on certain taxpayers (as defined in Indiana Code 6-5.5) which, in general, includes all corporations which are transacting the business of a financial institution in Indiana. The franchise tax is measured in part by interest excluded from gross income under Section 103 of the Code minus associated expenses disallowed under Section 265 of the Code.

Although Bond Counsel will render an opinion that interest on the Series 2007 M Bonds is excluded from federal gross income and exempt from State income tax, the accrual or receipt of interest on the Series 2007 M Bonds may otherwise affect a bondholder's federal income tax or state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, financial institutions, certain insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Series 2007 M Bonds. Bond Counsel expresses no opinion regarding any other such tax consequences. Prospective purchasers of the Series 2007 M Bonds should consult their own tax advisors with regard to the federal and state tax consequences of owning the Series 2007 M Bonds other than those consequences set forth in the form of opinion of Bond Counsel.

ORIGINAL ISSUE DISCOUNT

The initial public offering price of the Series 2007 M Bonds maturing on July 15 in the years 2019 through 2021, inclusive (the “Discount Bonds”), is less than the principal amount payable at maturity. As a result, the Discount Bonds will be considered to be issued with original issue discount. The difference between the initial public offering price of the Discount Bonds, as set forth inside the cover page of this Official Statement (assuming it is the first price at which a substantial amount of that maturity is sold) (the “Issue Price” for such maturity), and the amount payable at maturity of the Discount Bonds will be treated as “original issue discount.”

The original issue discount on each of the Discount Bonds is treated as accruing daily over the term of such Discount Bond on the basis of the yield to maturity determined on the basis of compounding at the end of each six-month period (or shorter period from the date of the original issue) ending on January 15 and July 15 (with straight line interpolation between compounding dates). A taxpayer who purchases a Discount Bond in the initial public offering at the Issue Price for such maturity and who holds the Discount Bond to maturity may treat the full amount of original issue discount as interest which is excludable from the gross income of the
owner of that Discount Bond for federal income tax purposes and will not, under present federal income tax law, realize taxable capital gain upon payment of the Discount Bond at maturity.

Section 1288 of the Code provides, with respect to tax-exempt obligations such as the Discount Bonds, that the amount of original issue discount accruing each period will be added to the owner’s tax basis for the Discount Bonds. Such adjusted tax basis will be used to determine taxable gain or loss upon disposition of the Discount Bonds (including sale, redemption or payment at maturity). Owners of Discount Bonds who dispose of Discount Bonds prior to maturity should consult their tax advisors concerning the amount of original issue discount accrued over the period held and the amount of taxable gain or loss upon the sale or other disposition of such Discount Bonds prior to maturity.

As described earlier in “Tax Matters”, the original issue discount that accrues in each year to an owner of a Discount Bond may result in certain collateral federal income tax consequences. Owners of any Discount Bonds should be aware that the accrual of original issue discount in each year may result in a tax liability from these collateral tax consequences even though the owners of such Discount Bonds will not receive a corresponding cash payment until a later year.

Owners who purchase Discount Bonds in the initial public offering but at a price different from the Issue Price for such maturity, should consult their own tax advisors with respect to the tax consequences of the ownership of the Discount Bonds.

The Code contains certain provisions relating to the accrual of original issue discount in the case of subsequent purchasers of bonds such as the Discount Bonds. It is possible under the applicable provisions governing the determination of state or local income taxes accrued interest on the Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment until a later year.

Owners of Discount Bonds should consult their own tax advisors with respect to the state and local tax consequences of owning the Discount Bonds. It is possible under the applicable provisions governing the determination of state or local income taxes that accrued interest on the Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment until a later year.

**AMORTIZABLE BOND PREMIUM**

The initial offering price of the Series 2007 M Bonds maturing on January 15, 2009 through July 15, 2018, inclusive (collectively, the “Premium Bonds”), is greater than the principal amount payable at maturity. As a result, the Premium Bonds will be considered to be issued with amortizable bond premium (the “Bond Premium”). An owner who acquires a Premium Bond in the initial offering will be required to adjust the owner’s basis in the Premium Bond downward as a result of the amortization of the Bond Premium, pursuant to Section 1016(a)(5) of the Code. Such adjusted tax basis will be used to determine taxable gain or loss upon the disposition of the Premium Bonds including sale, redemption or payment at maturity. The amount of amortizable Bond Premium will be computed on the basis of the taxpayer's yield
to maturity, with compounding at the end of each accrual period. Rules for determining (i) the amount of amortizable Bond Premium and (ii) the amount amortizable in a particular year are set forth at Section 171(b) of the Code. No income tax deduction for the amount of amortizable Bond Premium will be allowed pursuant to Section 171(a)(2) of the Code, but the amortization of Bond Premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining other tax consequences of owning the Premium Bonds. Owners of the Premium Bonds should consult their tax advisors with respect to the precise determination for federal income tax purposes of the treatment of Bond Premium upon the sale or other disposition of such Premium Bonds and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

Special rules governing the treatment of Bond Premium, which are applicable to dealers in tax-exempt securities, are found at Section 75 of the Code. Dealers in tax-exempt securities are urged to consult their own tax advisors concerning the treatment of Bond Premium

**ENFORCEABILITY OF REMEDIES**

The remedies available to the Trustee or the holders of the Series 2007 M Bonds upon a default under the Indenture, to the Trustee or the Bond Bank under the Series 2007 M Qualified Obligations, the purchase agreement for the Series 2007 M Qualified Obligations and the Authorizing Instrument, or to any party seeking to enforce the pledges securing the Series 2007 M Bonds or the Series 2007 M Qualified Obligations described herein (collectively the “Pledges”), are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the United States Bankruptcy Code), the remedies provided (or which may be provided) in the Indenture, the purchase agreement for the Series 2007 M Qualified Obligations, the Series 2007 M Qualified Obligations and the Authorizing Instrument, or to any party seeking to enforce the Pledges, may not be readily available or may be limited. Under Federal and State environmental laws, certain liens may be imposed on property of the Bond Bank or the Qualified Entities from time to time, but the Bond Bank has no reason to believe, under existing law, that any such lien would have priority over the lien on the Qualified Obligation Payments pledged to owners of the Series 2007 M Bonds under the Indenture or over the liens pledged to the owner of the Series 2007 M Qualified Obligations under the Authorizing Instrument.

The various legal opinions to be delivered concurrently with the delivery of the Series 2007 M Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and by public policy. These exceptions would encompass any exercise of the Federal, State or local police powers in a manner consistent with the public health and welfare. Enforceability of the Indenture, the purchase agreement for the Series 2007 M Qualified Obligations, the Authorizing Instrument and the Pledges in a situation where such enforcement may adversely affect public health and welfare may be subject to these police powers.
APPROVAL OF LEGAL PROCEEDINGS

Certain legal matters incident to the authorization, issuance, sale and delivery of the Series 2007 M Bonds are subject to the approval of Krieg DeVault LLP, Indianapolis, Indiana, Bond Counsel, whose approving legal opinion will be delivered with the Series 2007 M Bonds, substantially in the form attached hereto as Appendix B. Certain legal matters will be passed on by the Office of the Corporation Council of the City of Indianapolis, Indiana, as General Counsel to the Bond Bank and the City, and Bingham McHale LLP, Indianapolis, Indiana, counsel for the Underwriters.

RATINGS

Standard & Poor’s Ratings Services, a Division of The McGraw-Hill Companies (“S&P”), is expected to assign a rating of “AAA” to the Series 2007 M Bonds. Such rating is conditioned upon the issuance of the Series 2007 M Financial Guaranty Insurance Policy by the Series 2007 M Bond Insurer, Ambac Assurance Corporation. S&P has assigned a long term rating, without consideration of the Series 2007 M Financial Guaranty Insurance Policy or other credit enhancement, of “AA” to the Series 2007 M Bonds. These ratings reflect only the view of S&P and an explanation thereof may be obtained from S&P at 55 Water Street, New York, New York 10041. Such ratings are not a recommendation to buy, sell or hold the Series 2007 M Bonds. There is no assurance that such ratings will remain in effect for any given period of time or that such ratings will not be lowered or withdrawn entirely by S&P if, in their judgment, circumstances so warrant. The Underwriters have undertaken no responsibility either to bring to the attention of the owners of the Series 2007 M Bonds any proposed revision or withdrawal of any rating of the Series 2007 M Bonds or to oppose any such proposed revision or withdrawal. Any such downward revision or withdrawal of any rating may have an adverse effect on the market price or marketability of the Series 2007 M Bonds.

UNDERWRITING

The Series 2007 M Bonds are being purchased by the Underwriters. The Underwriters have agreed to purchase the Series 2007 M Bonds at an aggregate purchase price of $3,410,986.50, which represents the par amount of $3,450,000, less the underwriter’s discount of $24,134.20, plus net original issue premium of $27,120.70, less the premiums for the Series 2007 M Financial Guaranty Insurance Policy and the 2007 M Debt Service Reserve Fund Credit Facility in the aggregate amount of $42,000, pursuant to a purchase contract entered into by and between the Bond Bank and the Underwriters. Such purchase contract provides that the Underwriters will purchase all of the Series 2007 M Bonds if any are purchased.

The Underwriters have agreed to make a bona fide public offering of all of the 2007 M Bonds at prices not in excess of the initial public offering prices set forth or reflected inside the cover page of this Official Statement. The Underwriters may sell the 2007 M Bonds to certain dealers (including dealers depositing 2007 M Bonds into investment trusts) and others at prices lower than the offering prices set forth inside the cover page hereof.
SERIES 2007 M BONDS AS LEGAL INVESTMENTS

Pursuant to the Act, all Indiana financial institutions, investment companies, insurance companies, insurance associations, executors, administrators, guardians, trustees, and other fiduciaries may legally invest sinking funds, money, or other funds belonging to them or within their control in bonds or notes issued by the Bond Bank.

CONTINUING DISCLOSURE

Rule 15c2-12 (the “Rule”), promulgated by SEC under the Exchange Act provides that, except as otherwise provided in the Rule, a participating underwriter must not purchase or sell municipal securities in connection with an offering unless the participating underwriter has reasonably determined that an issuer of municipal securities or an obligated person for whom financial or operating data is presented in the final official statement has undertaken, either individually or in combination with other issuers of such municipal securities or obligated persons, in a written agreement or contract for the benefit of holders of such securities, to provide certain information.

In order to assist the Underwriters in complying with the Rule, the Bond Bank will, upon issuance of the Series 2007 M Bonds, execute a Continuing Disclosure Contract from the Bond Bank to each beneficial or registered owner or holder of any Series 2007 M Bond, to be dated the
date of issuance of the Series 2007 M Bonds (the “Disclosure Contract”). The Disclosure Contract will contain certain promises of the Bond Bank to each beneficial or registered owner or holder of any Series 2007 M Bond, including a promise to provide certain continuing disclosure. By its payment for and acceptance of any Series 2007 M Bond, the beneficial or registered owner or holder thereof accepts and assents to the Disclosure Contract and the exchange of (i) such payment and acceptance for (ii) such promises.

The following is a summary of certain provisions of the Disclosure Contract, and is qualified in its entirety by reference to the Disclosure Contract.

**Audited Financial Statements.** To each nationally recognized municipal securities information repository (“NRMSIR”) then in existence and to the Indiana state information depository then in existence, if any (“SID”), when and if available, the audited comprehensive annual financial report of the Qualified Entity for each twelve (12) month period ending December 31st, beginning with the twelve (12) month period ending December 31, 2007, together with the opinion of such accountants and all notes thereto, within two hundred ten (210) days after each December 31; and

**Financial Information in this Official Statement.** To each NRMSIR then in existence and to the SID, within 210 days of each December 31st, beginning with the calendar year ending December 31, 2007, unaudited annual financial information for the Qualified Entity for such calendar year consisting of unaudited financial information of the Qualified Entity if audited financial statements are not available.

**Event Notices.** In a timely manner, to each NRMSIR or to the Municipal Securities Rulemaking Board (MSRB), and to the SID notice of certain events listed in the Rule (the “Listed Events”), if material with respect to the Series 2007 M Bonds (which determination of materiality shall be made by the Qualified Entity in accordance with the standards established by federal securities laws).

**Failure to Disclose.** In a timely manner, to each NRMSIR or to the MSRB, and to the SID notice of the Qualified Entity failing to provide the audited financial statements or Annual Information as described earlier.

The Bond Bank’s obligations under the Disclosure Contract will terminate upon the defeasance, prior redemption or payment in full of all of the Series 2007 M Bonds in accordance with the terms of the Indenture.

The Bond Bank may amend the Disclosure Contract if such amendment meets the following:

(a) The amendment may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of any obligated person (as defined in the Rule), or type of business conducted;
(b) The Disclosure Contract, as amended, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment does not materially impair the interests of holders of the Series 2007 M Bonds, as determined either by parties unaffiliated with the Bond Bank or an obligated person (such as the Trustee or Bond Counsel), or by an approving vote of the Bondholders pursuant to the terms of the governing instrument at the time of the amendment.

Notwithstanding the foregoing, any information required to be provided by the Bond Bank to each NRMSIR and the State Depository, if any, as described above many, instead, be provided by the Bond Bank to DisclosureUSA, but only for so long as the conditions for the interpretation made by the SEC in the Response continue to be met. “DisclosureUSA” means the Internet-based electronic filing system created by the Municipal Advisory Council of Texas for the purpose of facilitating compliance by issuers and obligated persons (both as defined in the Rule) with continuing disclosure agreements entered into to satisfy the obligations of underwriters (as defined in the Rule). “Response” means the interpretive letter, dated September 7, 2004, released by the Division of Market Regulation of the SEC regarding DisclosureUSA.

In the event of a failure of the Bond Bank to provide Annual Reports, to send notices of failure to provide the Annual Report, or to report Listed Events, if material, any registered or beneficial owner may individually seek, as the sole remedy under the Disclosure Contract, to compel performance by court order, to cause the Bond Bank to comply with its obligations to provide the Annual Reports, to send notices of failure to provide the Annual Report, or to report Listed Events, if material, under the Disclosure Contract, and not for money damages of any kind or in any amount. A default under the Disclosure Contract will not be deemed an event of default under the Series 2007 M Bonds, the Indenture or any other agreement to which the Bond Bank is a party, and the sole remedy under the Disclosure Contract in the event of any failure of the Bond Bank to comply with the Disclosure Contract shall be an action to compel performance.

Except as described below, the remedies described in the preceding paragraph may be exercised by the registered or beneficial owner or owners of Series 2007 M Bonds, as applicable, in any court of competent jurisdiction in Marion County, Indiana.

Prior to pursuing any remedy for any breach of any obligation under the Disclosure Contract, the registered or beneficial owner or owners of Series 2007 M Bonds, as applicable, must give notice to the Bond Bank, by registered or certified mail, of such breach and its or their intent to pursue such remedy. Forty-five days after the mailing of such notice, and not before, such remedy may be pursued under the Disclosure Contract if and to the extent the Bond Bank has failed to cure such breach within such 60 days.

The Disclosure Contract inures solely to the benefit of the Bond Bank, any dissemination agent, and registered or beneficial owners from time to time of the Series 2007 M Bonds, and creates no rights in any other person or entity.
No Bondholder may, without the prior written consent of the Bond Bank, assign any of its rights under the Disclosure Contract to any other person. The Bond Bank may not assign any of its rights or delegate any of its obligations under the Disclosure Contract to any other person (other than to any dissemination agent), except that the Bond Bank may assign any of its rights or delegate any of such obligations to any entity (a) into which the Bond Bank merges, with which the Bond Bank consolidates or to which the Bond Bank transfers all or substantially all of its assets or (b) which agrees in writing for the benefit of Bondholders to assume such rights or obligations.

Any failure by any Bondholder to institute any suit, action or other proceeding for any breach or violation by the Bond Bank of any obligation of the Bond Bank under the Disclosure Contract, within 360 days after the date of such Bondholder first has knowledge of such breach or violation, will constitute a waiver by such Bondholder of such breach or violation and, after such waiver, no remedy shall be available to such Bondholder for such breach or violation.

For purposes of the Disclosure Contract, each Bondholder will be deemed to have knowledge of the provision and content of any information, datum, statement or notice provided by the Bond Bank to any NRMSIR, any SID or the MSRB on the date such information, datum, statement or notice is so provided, regardless of whether such Bondholder was a registered or beneficial owner or holder of any Series 2007 M Bond at the time such information, datum, statement or notice was so provided.

The City and County are party to a number of continuing disclosure undertakings that require submission of the CAFR and other annual financial information, generally within 210 days after the close of each fiscal year. The City and County notified each of the NRMSIR and the MSRB that the 2006 audit had not been completed and thus the CAFR and other annual financial information were not be filed within 210 days after December 31, 2006. However, the CAFR and other financial information were filed on October 8, 2007.

Re: The Indianapolis Local Public Improvement Bond Bank Bonds, Series 2007 M

Ladies and Gentlemen:

We have acted as bond counsel to The Indianapolis Local Public Improvement Bond Bank (the “Issuer”) in connection with the issuance by the Issuer of its Bonds, Series 2007 M, dated December 17, 2007 (the “Bonds”), in the aggregate principal amount of $3,450,000 pursuant to Indiana Code 5-1.4, as amended, and the First Supplemental Trust Indenture, dated as of December 1, 2007 (the “First Supplemental Indenture”), amending and supplementing the Trust Indenture, dated as of February 15, 2006 (the “Original Indenture”) (the First Supplemental Indenture and the Original Indenture are hereinafter collectively referred to as the “Indenture”), between the Issuer and Hoosier Trust Company, as trustee (the “Trustee”). In such capacity, we have examined such law and such certified proceedings, certifications and other documents as we have deemed necessary to render this opinion.

Regarding questions of fact material to our opinion, we have relied upon representations of the Issuer contained in the Indenture, the certified proceedings and other certifications of public officials furnished to us, and certifications, representations and other information furnished to us by or on behalf of the Issuer, the Series 2007 M Qualified Entity (as defined in the Indenture) and others, including, without limitation, certifications contained in the tax and arbitrage certificate of the Issuer, dated the date hereof, and the tax and arbitrage certificate of the Series 2007 M Qualified Entity, dated the date hereof, without undertaking to verify the same by independent investigation. We have relied upon the legal opinion of Corporation Counsel to the City of Indianapolis, Indiana and counsel to the Issuer, dated the date hereof, as to the matters stated therein. We have relied upon the report of H.J. Umbaugh & Associates, Indianapolis, Indiana, independent certified public accountants, dated the date hereof, as to the matters stated therein.

Based upon the foregoing, we are of the opinion that, under existing law:

1. The Issuer is a body corporate and politic validly existing under the laws of the State of Indiana (the “State”) with the corporate power to enter into the Indenture and perform its obligations thereunder and to issue the Bonds.
2. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding limited obligations of the Issuer, enforceable in accordance with their terms. The Bonds are payable solely from the Trust Estate (as defined in the Indenture), on parity with payment of The Indianapolis Local Public Improvement Bond Bank Bonds, Series 2006 B, dated February 28, 2006, originally issued in the amount of $16,550,000 and currently outstanding in the amount of $16,275,000 and maturing semi-annually over a period ending July 15, 2021.

3. The Indenture has been duly authorized, executed and delivered by the Issuer and is a valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms.

4. Interest on the Bonds is exempt from income taxation in the State for all purposes, except the State financial institutions tax.

5. Under existing laws, regulations, judicial decisions and rulings, interest on the Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations. The opinion set forth in this paragraph is subject to the condition that each of the Issuer and the Series 2007 M Qualified Entity comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. Each of the Issuer and the Series 2007 M Qualified Entity has covenanted or represented that it will comply with such requirements. Failure to comply with certain of such requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds.

We express no opinion herein as to the accuracy, completeness or sufficiency of the Official Statement, dated December 6, 2007, or any other offering material relating to the Bonds.

With respect to the enforceability of any document or instrument, this opinion is subject to the qualifications that: (i) the enforceability of such document or instrument may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium, fraudulent conveyance and similar laws relating to or affecting the enforcement of creditors’ rights; (ii) the enforceability of equitable rights and remedies provided for in such document or instrument is subject to judicial discretion, and the enforceability of such document or instrument may be limited by general principles of equity; (iii) the enforceability of such document or instrument may be limited by
public policy; and (iv) certain remedial, waiver and other provisions of such document or instrument may be unenforceable, provided, however, that in our opinion the unenforceability of those provisions would not, subject to the other qualifications set forth herein, affect the validity of such document or instrument or prevent the practical realization of the benefits thereof.

This opinion is given only as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Very truly yours,

SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE
APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE

The following is a summary of certain additional provisions of the Indenture not otherwise discussed in this Official Statement. This summary is qualified in its entirety by reference to the Indenture.

Accounts and Reports

The Bond Bank will keep proper and separate books of records and accounts in which complete and correct entries will be made of its transactions relating to the Funds and Accounts established by the Indenture. Such books, and all other books and papers of the Bond Bank, and all Funds and Accounts will at all reasonable times be subject to the inspection of the Trustee and the owners of an aggregate of at least 5% in principal amount of Bonds then Outstanding or their representatives duly authorized in writing.

Before the twentieth day of each month, the Trustee will provide the Bond Bank with a statement of the amounts on deposit in each Fund and Account as of the first day of that month and the total deposits to and withdrawals from each Fund and Account during the preceding month. The Bond Bank may provide for less frequent statements so long as such statements are supplied no less frequently than quarterly.

Preservation of Tax Exemption for the Series 2007 M Bonds

In order to assure the continuing excludability of interest on the Series 2007 M Bonds from the gross income of the owners thereof for federal income tax purposes, the Bond Bank covenants and agrees that it will not take any action or fail to take any action with respect to the Series 2007 M Bonds, that would result in the loss of the excludability of the interest on any of the Series 2007 M Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code, nor will the Bond Bank act in any other manner which would adversely affect such excludability and it will not make any investment or do any other act or thing during the period that the Series 2007 M Bonds are Outstanding which would cause any of the Series 2007 M Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code, all as in effect on the date of delivery of the Series 2007 M Bonds. Pursuant to the Indenture, all of these covenants are based solely on current law as in existence and effect on the date of delivery of the Series 2007 M Bonds. It will not be an Event of Default under the Indenture if the interest on the Series 2007 M Bonds is not excludable from gross income for federal income tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of the issuance of the Series 2007 M Bonds.

In making any determination regarding the covenants, the Bond Bank may rely on an Opinion of Bond Counsel.

Covenants Concerning the Program

In order to provide for the payment of the principal of, premium, if any, and interest on the Bonds and of Program Expenses, the Bond Bank will from time to time, with all practical dispatch and in a sound and economical manner in accordance with the Act, the Indenture and sound banking practices and principals (i) do all acts and things as are necessary to receive and collect Revenues (including the enforcement of the prompt collection of any arrears on all Qualified Obligation Payments), and (ii) diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Bond Bank to protect the rights of the Bond Bank with respect to the Qualified Obligations and to enforce all terms, covenants and conditions of the Qualified Obligations. Whenever necessary in order to provide for the payment of principal of and interest on the Bonds, the Bond Bank will also commence appropriate remedies with respect to any Qualified Obligation which is in default.
Covenants with Respect to Qualified Obligations

With respect to the Qualified Obligations, the Bond Bank covenants as follows:

(a) Not to permit or agree to any material change in any Qualified Obligation (other than ones for which consent of the Bond Bank is not required) unless the Bond Bank supplies the Trustee with a Cash Flow Certificate to the effect that, after such change, Revenues expected to be received in each Fiscal Year, together with moneys expected to be held in the Funds and Accounts, will at least equal debt service on all Outstanding Bonds along with Program Expenses, if any in each such Fiscal Year.

(b) To the extent that such action would not adversely affect the validity of the Qualified Obligation or other obligations of the Qualified Entity, the Bond Bank will pursue the remedies set forth in the Act, particularly Indiana Code 5-1.4-8-4, for the collection of deficiencies in Qualified Obligation Payments on any Qualified Obligation.

(c) To enforce or authorize the enforcement of all remedies available to the Bond Bank as the owner or holder of the Qualified Obligations, unless the Bond Bank provides the Trustee with a Cash Flow Certificate to the effect that, if such remedies are not enforced, Revenues expected to be received in each Fiscal Year, together with moneys expected to be held in the Funds and Accounts, will at least equal debt service on all Outstanding Bonds in each such Fiscal Year; provided, however, that decisions as to the enforcement of remedies shall be within the sole discretion of the Trustee.

(d) Not to sell or dispose of the Qualified Obligations, unless the Bond Bank first provides the Trustee with a Cash Flow Certificate to the effect that, after such sale, Revenues expected to be received in each Fiscal Year, together with moneys expected to be held in the Funds and Accounts, minus any proceeds of such sale or disposition transferred from any Fund or Account, will at least equal debt service on all Outstanding Bonds along with Program Expenses, if any, in each such Fiscal Year.

Certification Covenants

In the event that a deficiency in the Debt Service Reserve Fund is projected during the next succeeding Fiscal Year, the Chairman of the Board of Directors of the Bond Bank will certify such projected deficiency to the Legislative Body on or before December 1 of the Fiscal Year in which such deficiency is projected to occur. Further, regardless of whether any such deficiency was projected as described in the preceding sentence and regardless of the time at which such deficiency occurs, the Bond Bank will take all actions required or allowed under the Act to certify any deficiency in the Debt Service Reserve Fund to the Legislative Body.

Budgets

The Bond Bank will adopt and file with the Trustee, at least sixty (60) days prior to the beginning of each Fiscal Year, a preliminary budget covering its fiscal operations for the succeeding Fiscal Year.

Defeasance and Discharge of Lien of Indenture

If payment or provision for payment is made to the Trustee of the principal of and interest due and to become due on all of the Bonds then Outstanding under the Indenture, and if the Trustee receives all payments due and to become due under the Indenture, then the Indenture may be discharged in accordance with its provisions. In the event of any early redemption of Bonds in accordance with their terms, the Trustee must receive irrevocable instructions from the Bond Bank, satisfactory to the Trustee, to call such Bonds for redemption at a specified date and pursuant to the Indenture. Outstanding Bonds will continue to be a limited obligation of the Bond Bank payable only out of the moneys or securities held by the Trustee for the payment of the principal of and interest on the Bonds.

Any Bond will be deemed to be paid when (a) payment of the principal of that Bond, plus interest to its due date, either (i) has been made or has been caused to be made in accordance with its terms, or (ii) has been provided for by irrevocably depositing with the Trustee, in trust and exclusively for such payment, (1) moneys sufficient to
make such payment, (2) Governmental Obligations maturing as to principal and interest in such amounts and at such
times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make
such payments, or (3) a combination of such moneys and Governmental Obligations, and (b) all other sums payable
under the Indenture, including the necessary and proper fees and expenses of the Trustee pertaining to the Bonds,
have been paid or deposited with the Trustee.

**Events of Default and Remedies**

Any of the following events constitutes an “Event of Default” under the Indenture:

(a) The Bond Bank defaults in the due and punctual payment of the principal of or interest on
any Bond;

(b) The Bond Bank fails to make remittances required by the Indenture to the Trustee within
the time limits prescribed in the Indenture;

(c) The Bond Bank defaults in the performance or observance of any of its other covenants,
agreements or conditions contained in the Indenture or in the Bonds, and fails to remedy such Event of
Default within 30 days after receipt of notice, all in accordance with the Indenture;

(d) Any warranty, representation or other statement by or on behalf of the Bond Bank
contained in the Indenture, or in any instrument furnished in compliance with or in reference to the
Indenture, is materially false or misleading when made, and there has been a failure to remedy such Event
of Default within 30 days after receipt of notice, all in accordance with the Indenture;

(e) A petition is filed against the Bond Bank under any bankruptcy, reorganization,
arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether
now or hereafter in effect and is not dismissed within 60 days after such filing;

(f) The Bond Bank files a voluntary petition in bankruptcy or seeking relief under any
provisions of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or
liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any
petition against it under such law;

(g) The Bond Bank is generally not paying its debts as such debts become due, or becomes
insolvent, bankrupt, or makes an assignment for the benefit of creditors, or a liquidator or trustee of the
Bond Bank or any of its property is appointed by court order or takes possession and such order remains in
effect or such possession continues for more than 60 days;

(h) The Bond Bank fails to restore the Debt Service Reserve Fund to the applicable Debt
Service Reserve Requirement within 60 days after the end of the Fiscal Year during which a deficiency
occurs; or

(i) The Bond Bank is rendered incapable of fulfilling its obligations under the Indenture for
any reason.

Upon the occurrence of an Event of Default, the Trustee will notify the Series 2007M Bond Insurer and the
owners of Outstanding Bonds of such Event of Default and will have the following rights and remedies:

(a) The Trustee may pursue any available remedy at law or in equity to enforce the payment
of the principal of and interest on Bonds outstanding under the Indenture, including the enforcement of any
rights of the Bond Bank or the Trustee under the Qualified Obligations;

(b) The Trustee may by action at law or suit in equity require the Bond Bank to account as if
it were the trustee of an express trust for the Owners of the Bonds, and may take such action with respect to
the Qualified Obligations as the Trustee deems necessary or appropriate and in the best interest of the Bondholders, subject to the terms of the Qualified Obligations.

(c) Upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under the Indenture, the Trustee will be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate under the Indenture and of the Revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment will confer; provided, however, for so long as the Series 2007M Bond Insurance Policy is in full force and effect, in the event of any reorganization or liquidation claims with respect to the Bond Bank, the Series 2007M Bonds Insurer shall have the right to vote on behalf of the holders of the Series 2007M Bonds; and

(d) By notice to the Bond Bank and Corporation Counsel to City of Indianapolis, Indiana, the Trustee may declare the principal of and accrued interest on all Bonds to be due and payable immediately in accordance with the provisions of the Indenture and the Act; provided, however, for so long as the Series 2007M Bond Insurance Policy is in full force and effect, the Trustee may, with the consent of the Series 2007M Bond Insurer, and shall, at the direction of the Series 2007M Bond Insurer or twenty-five (25%) of the holders of the Series 2007M Bond with the consent of the Series 2007M Bond Insurer, by written notice to the Bond Bank, the Corporation Counsel to the City and the Series 2007M Bond Insurer, declare the principal of the Series 2007M Bond to be immediately due and payable, whereupon that portion of the principal of the Series 2007M Bond thereby coming due and the interest thereon accrued to the date of payment shall, without further action, become and be immediately due and payable, anything in the Indenture or the Series 2007M Bonds to the contrary notwithstanding.

If an Event of Default has occurred, if requested to do so by the owners of 25% or more in aggregate principal amount of the Bonds Outstanding under the Indenture, and if indemnified as provided in the Indenture, the Trustee will be obligated to exercise one or more of the rights and powers conferred by the Indenture as the Trustee, being advised by counsel, deems most expedient in the interest of the Bondholders; provided, however, that if the Series 2007 M Bond Insurance Policy is in full force and effect, the Trustee must receive the express written consent of the Series 2007 M Bond Insurer before exercising any such right or remedy in connection with the Series 2007 M Bonds.

The owners of a majority in aggregate principal amount of the Bonds Outstanding under the Indenture will have the right, at any time during the continuance of an Event of Default, by a written instrument or instruments executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture, or for the appointment of a receiver or any other proceedings under the Indenture. However, such direction shall not be otherwise than in accordance with the provisions of law and of the Indenture; provided, however, that for so long as the Series 2007 M Bond Insurance Policy remains in full force and effect, the Trustee must receive the express written consent of the Series 2007 M Bond Insurer before conducting any such proceedings in connection with the Series 2007 M Bonds.

Waivers of Events of Default

The Trustee, with the consent of the Series 2007 M Bond Insurer (so long as the Series 2007 M Bond Insurance Policy remains in full force and effect), may, at its discretion, waive any Event of Default and its consequences, and must do so upon the written request of the owners of (a) more than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of all Bonds then Outstanding in respect of which an Event of Default in the payment of principal or interest exists, or (b) more than fifty percent (50%) in aggregate principal amount of all Bonds then Outstanding in the case of any other default. However, there may not be waived (i) any Event of Default in the payment of the principal of any Bond then Outstanding under the Indenture at the specified date of maturity or (ii) any Event of Default in the payment when due of the interest on any Bond then Outstanding under the Indenture, unless prior to the waiver, all arrears of interest or principal due, as the case may be, with interest on overdue principal at the rate borne by such Bond, and all expenses of the Trustee in connection with the Event of Default have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such Event of Default is discontinued or abandoned or determined adversely, then the Bond Bank, the Trustee and the Bondholders will be restored to their former respective positions and right
under the Indenture. No waiver or rescission will extend to any subsequent or other Event of Default or impair any right consequent thereon.

Rights and Remedies of Owners of Bonds

No owner of any Bond will have any right to institute any suit, action or proceeding at law or in equity for the enforcement of the Indenture or for the execution of any trust thereof or for any other remedy under the Indenture, unless (a) a Default has occurred, (b) such Default shall have become an Event of Default and the owners of not less than 25% in aggregate principal amount of Bonds then Outstanding have made written request to the Trustee and have offered the Trustee reasonable opportunity either to proceed to exercise the remedies granted in the Indenture or to institute such action, suit or proceeding in its own name, (c) such owners of Bonds have offered to indemnify the Trustee, as provided in the Indenture, and (d) the Trustee has refused, or for 60 days after receipt of such request and offer of indemnification has failed, to exercise the remedies granted in the Indenture or to institute such action, suit or proceeding in its own name. All proceedings at law or in equity must be carried out as provided in the Indenture and for the equal benefit of the owners of all Outstanding Bonds. However, nothing contained in the Indenture will affect or impair the right of any owner of Bonds to enforce the payment of the principal of and interest on any Bond at and after its maturity, or the limited obligation of the Bond Bank to pay the principal of and interest on each of the Bonds to the respective owners of the Bonds at the time and place, from the source and in the manner expressed in the Bonds.

Series 2007 M Bond Insurer as the Sole Bondholder

For so long as the Series 2007 M Bond Insurance Policy remains in full force and effect, the Series 2007 M Bond Insurer will be deemed by the Trustee and the Bond Bank to be the sole holder or owner of the Series 2007 M Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Series 2007 M Bonds are entitled to take under the Indenture upon the occurrence of an Event of Default.

Supplemental Indentures

The Bond Bank and the Trustee may with the prior written consent of the Series 2007 M Bond Insurer for so long as the Series 2007 M Bond Insurance Policy remains in full force and effect but without the consent of or notice to any of the owners of Bonds, enter into an indenture or indentures supplemental to the Indenture for any one or more of the following purposes:

(a) To cure any ambiguity, formal defect or omission in the Indenture;

(b) To grant to or confer upon the Trustee for the benefit of the owners of Bonds then Outstanding any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or to make any change which, in the judgment of the Trustee, does not materially and adversely affect the interests of the Bondholders and does not otherwise require the unanimous consent of all Bondholders under the Indenture;

(c) To subject to the lien and pledge of the Indenture additional Revenues, properties or collateral;

(d) To modify, amend or supplement the Indenture or any supplemental indenture in order to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America, and, if the Bond Bank and the Trustee so determine, to add to the Indenture or to any supplemental indenture such other terms, conditions and provisions as may be permitted by the Trust Indenture Act of 1939 or similar federal statute;

(e) To evidence the appointment of a separate or co-trustee, or the succession of a new Trustee or the succession of a new registrar and/or paying agent;
(f) In connection with the issuance of Refunding Bonds;

(g) To provide for the refunding of all or a portion of the Bonds; and

(h) To amend the Indenture to permit the Bond Bank to comply with any future federal tax law or any covenants contained in any Supplemental Indenture with respect to compliance with future federal tax laws.

With the exception of Supplemental Indentures for the purposes described in the preceding paragraph and subject to the terms of the Indenture, the owners of not less than a majority of the aggregate principal amount of the Bonds then Outstanding which are affected (other than Bonds held by the Bond Bank) will have the right from time to time to consent to and approve the execution by the Bond Bank and the Trustee of any supplemental indenture or indentures deemed necessary and desirable by the Bond Bank or the Trustee for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Indenture or in any supplemental indenture, but only with the express written consent of the Series 2007 M Bond Insurer for so long as the Series 2007 M Bond Insurance Policy remains in full force and effect; provided, however, no supplemental indenture may permit or be construed as permitting, without the consent of the owners of all Bonds then Outstanding under the Indenture and the Series 2007 M Bond Insurer for so long as the Series 2007 M Bond Insurance Policy remains in full force and effect, (a) an extension of a Principal Payment Date, an Interest Payment Date or a redemption date for any Bond issued under the Indenture; (b) a reduction in the principal amount of any Bond or change in the rate of interest or redemption premium; (c) a privilege or priority of any Bond or Bonds over any other Bond or Bonds; (d) a reduction in the aggregate principal amount of the Bonds the owners of which are required to consent to such Supplemental Indenture; (e) the creation of any lien securing any Bonds other than a lien ratably securing all of the Bonds, at any time Outstanding; (f) a reduction in the Reserve Requirement; or (g) any amendment or modification of the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of the Trustee, which shall also require the written consent of the Trustee.

Additional Provisions Regarding the Series 2007 M Bond Insurer

For so long as the Series 2007 M Bond Insurance Policy remains in full force and effect, the following provisions described below shall govern, notwithstanding anything to the contrary set forth in the Indenture:

(a) Any provision of the Indenture expressly recognizing or granting rights in or to the Series 2007 M Bond Insurer may not be amended in any manner which affects the rights of the Series 2007 M Bond Insurer without the prior written consent of the Series 2007 M Bond Insurer. The Series 2007 M Bond Insurer reserves the right to charge the Bond Bank a fee for any consent or amendment to the Indenture while the Series 2006B Bond Insurance Policy is outstanding.

(b) Unless otherwise provided in this Section, the Series 2007 M Bond Insurer’s consent shall be required in lieu of Bondholder consent, when required, for the following purposes: (i) execution and delivery of any Supplemental Indenture, (ii) removal of the Trustee and selection and appointment of any successor trustee or paying agent; and (iii) initiation or approval of any action not described in (i) or (ii) above which requires Bondholder consent.

(c) Any reorganization or liquidation plan with respect to the Bond Bank must be acceptable to the Series 2007 M Bond Insurer. In the event of any reorganization or liquidation, the Series 2007 M Bond Insurer shall have the right to vote on behalf of all Bondholders who hold the Series 2007 M Bond Insurer-insured Series 2007 M Bonds absent a default by the Series 2007 M Bond Insurer under the Series 2007 M Bond Insurer Policy insuring the Series 2007 M Bonds.

(d) Anything in the Indenture to the contrary notwithstanding, upon the occurrence and continuance of an Event of Default as defined in the Indenture, the Series 2007 M Bond Insurer shall be entitled to control and direct the enforcement of all rights and remedies granted to the Bondholders or the Trustee for the benefit of the Bondholders under the Indenture, including, without limitation: (i) the right to accelerate the principal of the Series
2007 M Bonds as described in the Indenture, and (ii) the right to annul any declaration of acceleration, and the Series 2007 M Bond Insurer shall also be entitled to approve all waivers of Events of Default.

(e) While the Series 2007 M Bond Insurance Policy or the Series 2007 M Debt Service Reserve Fund Credit Facility is in effect, the Bond Bank shall furnish to the Series 2007 M Bond Insurer and the Series 2007 M Debt Service Reserve Fund Credit Provider (Attention: Surveillance Department), upon request, the following:

(ii) such additional information it may reasonably request;

(iv) To the extent that the Bond Bank has entered into a continuing disclosure agreement with respect to the Series 2007 M Bonds, the Series 2007 M Bond Insurer and the Series 2007 M Debt Service Reserve Fund Credit Provider shall be included as party to be notified.

(f) The Bond Bank shall notify the Series 2007 M Bond Insurer (Attention: General Counsel Office) of any failure of the Bond Bank to provide relevant notices, certificates, etc.

(g) Notwithstanding any other provision of the Indenture, the Trustee or the Bond Bank shall immediately notify the Series 2007 M Bond Insurer (Attention: General Counsel Office) if at any time there are insufficient moneys to make any payments of principal and/or interest as required and immediately upon the occurrence of any Event of Default hereunder.

(h) The Bond Bank will permit the Series 2007 M Bond Insurer to discuss the affairs, finances and accounts of the Bond Bank and the Series 2007 M Qualified Entity or any information the Series 2007 M Bond Insurer may reasonably request regarding the security for the Series 2007 M Bonds with appropriate officers of the Bond Bank and the Series 2007 M Qualified Entity. The Trustee or the Bond Bank will permit Series 2007 M Bond Insurer to have access to and to make copies of all books and records relating to the Series 2007 M Bonds at any reasonable time.

(i) The Series 2007 M Bond Insurer shall have the right to direct an accounting at the Bond Bank’s expense, and the Bond Bank’s failure to comply with such direction within thirty (30) days after receipt of written notice of the direction from the Series 2007 M Bond Insurer shall be deemed a default under the Indenture; provided, however, that if compliance cannot occur within such period, then such period will be extended so long as compliance is begun within such period and diligently pursued, but only if such extension would not materially adversely affect the interests of any registered owner of the Series 2007 M Bonds.

(j) As long as the Series 2007 M Bond Insurance Policy shall be in full force and effect, the Bond Bank and the Trustee agree to comply with the following provisions:

(i) At least one (1) business day prior to all Interest Payment Dates the Trustee will determine whether there will be sufficient funds in the Funds and Accounts to pay the principal of or interest on the Series 2007 M Bonds on such Interest Payment Date. If the Trustee determines that there will be insufficient funds in such Funds or Accounts, the Trustee shall so notify the Series 2007 M Bond Insurer. Such notice shall specify the amount of the anticipated deficiency, the Series 2007 M Bonds to which such deficiency is applicable and whether such Series 2007 M Bonds will be deficient as to principal or interest, or both. If the Trustee has not so notified the Series 2007 M Bond Insurer at least one (1) business day prior to an Interest Payment Date, the Series 2007 M Bond Insurer will make payments of principal or interest due on the Series 2007 M Bonds on or before the first (1st) business day next following the date on which the Series 2007 M Bond Insurer shall have received notice of nonpayment from the

SPECIMEN FINANCIAL GUARANTY INSURANCE POLICY
[THIS PAGE INTENTIONALLY LEFT BLANK]
Ambac Assurance Corporation (Ambac), a Wisconsin stock insurance corporation, in consideration of the payment of the premium and subject to the terms of this Policy, hereby agrees to pay to The Bank of New York, as trustee, or its successor (the "Insurance Trustee"), for the benefit of the Holders, that portion of the principal of and interest on the above-described obligations (the "Obligations") which shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Obligor.

Ambac will make such payments to the Insurance Trustee within one (1) business day following written notification to Ambac of Nonpayment. Upon a Holder's presentation and surrender to the Insurance Trustee of the unpaid Obligations or related coupons, uncanceled and in bearer form and free of any adverse claim, the Insurance Trustee will disburse to the Holder the amount of principal and interest which is then Due for Payment but is unpaid. Upon such disbursement, Ambac shall become the owner of the surrendered Obligations and/or coupons and shall be fully subrogated to all of the Holder's rights to payment thereon.

In cases where the Obligations are issued in registered form, the Insurance Trustee shall disburse principal to a Holder only upon presentation and surrender to the Insurance Trustee of the unpaid Obligation, uncanceled and free of any adverse claim, together with an instrument of assignment, in form satisfactory to Ambac and the Insurance Trustee duly executed by the Holder or such Holder's duly authorized representative, so as to permit ownership of such Obligation to be registered in the name of Ambac or its nominee. The Insurance Trustee shall disburse interest to a Holder of a registered Obligation only upon presentation to the Insurance Trustee of proof that the claimant is the person entitled to the payment of interest on the Obligation and delivery to the Insurance Trustee of an instrument of assignment, in form satisfactory to Ambac and the Insurance Trustee, duly executed by the Holder or such Holder's duly authorized representative, transferring to Ambac all rights under such Obligation to receive the interest in respect of which the insurance disbursement was made. Ambac shall be subrogated to all of the Holders' rights to payment on registered Obligations to the extent of any insurance disbursements so made.

In the event that a trustee or paying agent for the Obligations has notice that any payment of principal of or interest on an Obligation which has become Due for Payment and which is made to a Holder by or on behalf of the Obligor has been deemed a preferential transfer and theretofore recovered from the Holder pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court of competent jurisdiction, such Holder will be entitled to payment from Ambac to the extent of such recovery if sufficient funds are not otherwise available.

As used herein, the term "Holder" means any person other than (i) the Obligor or (ii) any person whose obligations constitute the underlying security or source of payment for the Obligations who, at the time of Nonpayment, is the owner of an Obligation or of a coupon relating to an Obligation. As used herein, "Due for Payment", when referring to the principal of Obligations, is when the scheduled maturity date or mandatory redemption date for the application of a required sinking fund installment has been reached and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by application of required sinking fund installments), acceleration or other advancement of maturity; and, when referring to interest on the Obligations, is when the scheduled date for payment of interest has been reached. As used herein, "Nonpayment" means the failure of the Obligor or any provider of sufficient funds to the trustee or paying agent for payment in full of all principal of and interest on the Obligations which are Due for Payment.

This Policy is noncancelable. The premium on this Policy is not refundable for any reason, including payment of the Obligations prior to maturity. This Policy does not insure against loss of any prepayment or other acceleration payment which at any time may become due in respect of any Obligation, other than at the sole option of Ambac, nor against any risk other than Nonpayment.

In witness whereof, Ambac has caused this Policy to be affixed with a facsimile of its corporate seal and to be signed by its duly authorized officers in facsimile to become effective as its original seal and signatures and binding upon Ambac by virtue of the countersignature of its duly authorized representative.
