3. Community Goals

A. Housing
- Provide substantial sound housing stock in the neighborhood.

B. Parks and Recreation
- Maintain and improve park and recreational facilities, encourage their maximum usage by the total community.

C. Public Safety
- Promote a comprehensive crime prevention program that would coordinate the efforts of the Indianapolis Police Department and area residents.

D. Commercial and Economic Development
- Improve communications between the Riverside Civic League and neighborhood businesses.

E. Transportation
- Maintain adequate and safe public transportation within the area.

F. Community Services and Facilities
- Provide sufficient level of education to neighborhood schools.

G. Neighborhood Organization
- Maintain and improve the cooperation between city, state, and federal agencies.

4. Plan Recommendations

The following section will outline a series of programs and activities that would enable the neighborhood to achieve the goals set forth in this plan. An evaluation of the accomplishments will be made at the end of accomplishing the goals of this subarea plan.

A. Housing
- Ensure the adoption of a housing strategy plan, which will conform with and accommodate the comprehensive plan.

B. Parks and Recreation
- Provide substantial sound housing stock in the neighborhood.

C. Public Safety
- Ensure the adoption of a comprehensive crime prevention program.

D. Commercial and Economic Development
- Improve communications between the Riverside Civic League and neighborhood businesses.

E. Transportation
- Maintain adequate and safe public transportation within the area.

F. Community Services and Facilities
- Provide sufficient level of education to neighborhood schools.

G. Neighborhood Organization
- Maintain and improve the cooperation between city, state, and federal agencies.

November, 1980
