8. ANIMATED SIGNS
9. BANNER SIGNS

10. BALLOON SIGNS
A temporary sign consisting of a bag made of lightweight material which is filled with a gas lighter than air and designed to rise or float in the atmosphere or directly to one or more points not on the same lot as the sign.

11. BANNER
Any temporary sign or banner made of lightweight material mounted to a pole or a building at one or more points not on the same lot as the sign.

12. BUILDING IDENTIFICATION SIGN
Any sign permanently attached to a building.

13. BUILDING IDENTIFICATION SIGN (continued)
Any identification sign for public or private use.

14. CANOPY
Any sign that is a part of or attached to a canopy and is supported in total or in part from the ground by one or more columns or other permanent structural support.

15. BUSINESS IDENTITY SIGN
Any sign that is part of or attached to a business and is supported in total or in part from the ground by one or more columns or other permanent structural support.

16. CARRYING FIREHOSE
A hose that is part of or attached to a building and is supported in total or in part from the ground by one or more columns or other permanent structural support.

17. COMMERICAL OR BUSINESS
A sign that is part of or attached to a buildings and is supported in total or in part from the ground by one or more columns or other permanent structural support.

18. COMMERCIAL OR BUSINESS (continued)
A sign that is part of or attached to a building and is supported in total or in part from the ground by one or more columns or other permanent structural support.

19. COMMERCIAL OR BUSINESS (continued)
A sign that is part of or attached to a building and is supported in total or in part from the ground by one or more columns or other permanent structural support.

20. COMMERCIAL OR BUSINESS (continued)
A sign that is part of or attached to a building and is supported in total or in part from the ground by one or more columns or other permanent structural support.

21. COMMERCIAL OR BUSINESS (continued)
A sign that is part of or attached to a building and is supported in total or in part from the ground by one or more columns or other permanent structural support.

22. COMMERCIAL OR BUSINESS (continued)
A sign that is part of or attached to a building and is supported in total or in part from the ground by one or more columns or other permanent structural support.
Chapter 6: Construction of Languages and Dialects
Any line visible from the exterior of the building or structure and located within the interior of any building or structure, or within an enclosed lobby or court of any building, and including all appurtenant rights thereto, used or intended for use as a means of egress for the occupants of the building or structure, or a combination of commercial, industrial, and residential uses of one (1).

A. SEE STREET, PRECINT.

B. A tract of land designated by its owner(s) to be used or developed as a unit under single ownership or control.

C. A combination of complete lots of record or portions of lots of record, or of portions of the

The area of a horizontal plane bounded on all sides by the front, rear, and side lot lines that is available for use or development and does not include any area lying within the right-of-way of any public or private street, alley or easement access.

A lot of record, or a portion of a lot of record, or a combination of complete lots of record or portions of lots of record, or portions of the

A lot of record, or a portion of a lot of record, or a combination of complete lots of record or portions of lots of record.
Chapter 6. Construction of Lines and Delineations

Section 1. The legal boundary of a lot is recorded in the office of the Marion County Recorder.

Section 2. A street sign does not include the street name, any street number, or any descriptive term.

Section 3. A street sign shall not be installed near a traffic signal.

Section 4. A street sign shall not be installed near an intersection.

Section 5. A street sign shall not be installed near a driveway or lane.

Section 6. A street sign shall not be installed near a public utility pole.

Section 7. A street sign shall not be installed near a railroad crossing.

Section 8. A street sign shall not be installed near a cemetery.

Section 9. A street sign shall not be installed near a public park.

Section 10. A street sign shall not be installed near a school.

Section 11. A street sign shall not be installed near a hospital.

Section 12. A street sign shall not be installed near a religious institution.

Section 13. A street sign shall not be installed near a church.

Section 14. A street sign shall not be installed near a synagogue.

Section 15. A street sign shall not be installed near a mosque.

Section 16. A street sign shall not be installed near a temple.

Section 17. A street sign shall not be installed near aatar or other religious symbols.

Section 18. A street sign shall not be installed near a public library.

Section 19. A street sign shall not be installed near a public art gallery.

Section 20. A street sign shall not be installed near a public museum.

Section 21. A street sign shall not be installed near a public theater.

Section 22. A street sign shall not be installed near a public concert hall.

Section 23. A street sign shall not be installed near a public opera house.

Section 24. A street sign shall not be installed near a public opera house.

Section 25. A street sign shall not be installed near a public opera house.

Section 26. A street sign shall not be installed near a public opera house.

Section 27. A street sign shall not be installed near a public opera house.

Section 28. A street sign shall not be installed near a public opera house.

Section 29. A street sign shall not be installed near a public opera house.

Section 30. A street sign shall not be installed near a public opera house.

Section 31. A street sign shall not be installed near a public opera house.

Section 32. A street sign shall not be installed near a public opera house.

Section 33. A street sign shall not be installed near a public opera house.

Section 34. A street sign shall not be installed near a public opera house.

Section 35. A street sign shall not be installed near a public opera house.

Section 36. A street sign shall not be installed near a public opera house.

Section 37. A street sign shall not be installed near a public opera house.

Section 38. A street sign shall not be installed near a public opera house.

Section 39. A street sign shall not be installed near a public opera house.

Section 40. A street sign shall not be installed near a public opera house.

Section 41. A street sign shall not be installed near a public opera house.

Section 42. A street sign shall not be installed near a public opera house.

Section 43. A street sign shall not be installed near a public opera house.

Section 44. A street sign shall not be installed near a public opera house.

Section 45. A street sign shall not be installed near a public opera house.

Section 46. A street sign shall not be installed near a public opera house.

Section 47. A street sign shall not be installed near a public opera house.

Section 48. A street sign shall not be installed near a public opera house.

Section 49. A street sign shall not be installed near a public opera house.

Section 50. A street sign shall not be installed near a public opera house.

Section 51. A street sign shall not be installed near a public opera house.

Section 52. A street sign shall not be installed near a public opera house.

Section 53. A street sign shall not be installed near a public opera house.

Section 54. A street sign shall not be installed near a public opera house.

Section 55. A street sign shall not be installed near a public opera house.

Section 56. A street sign shall not be installed near a public opera house.

Section 57. A street sign shall not be installed near a public opera house.

Section 58. A street sign shall not be installed near a public opera house.

Section 59. A street sign shall not be installed near a public opera house.

Section 60. A street sign shall not be installed near a public opera house.

Section 61. A street sign shall not be installed near a public opera house.

Section 62. A street sign shall not be installed near a public opera house.

Section 63. A street sign shall not be installed near a public opera house.

Section 64. A street sign shall not be installed near a public opera house.

Section 65. A street sign shall not be installed near a public opera house.

Section 66. A street sign shall not be installed near a public opera house.

Section 67. A street sign shall not be installed near a public opera house.

Section 68. A street sign shall not be installed near a public opera house.

Section 69. A street sign shall not be installed near a public opera house.

Section 70. A street sign shall not be installed near a public opera house.

Section 71. A street sign shall not be installed near a public opera house.

Section 72. A street sign shall not be installed near a public opera house.

Section 73. A street sign shall not be installed near a public opera house.

Section 74. A street sign shall not be installed near a public opera house.

Section 75. A street sign shall not be installed near a public opera house.

Section 76. A street sign shall not be installed near a public opera house.

Section 77. A street sign shall not be installed near a public opera house.

Section 78. A street sign shall not be installed near a public opera house.

Section 79. A street sign shall not be installed near a public opera house.

Section 80. A street sign shall not be installed near a public opera house.

Section 81. A street sign shall not be installed near a public opera house.

Section 82. A street sign shall not be installed near a public opera house.

Section 83. A street sign shall not be installed near a public opera house.

Section 84. A street sign shall not be installed near a public opera house.

Section 85. A street sign shall not be installed near a public opera house.

Section 86. A street sign shall not be installed near a public opera house.

Section 87. A street sign shall not be installed near a public opera house.

Section 88. A street sign shall not be installed near a public opera house.

Section 89. A street sign shall not be installed near a public opera house.

Section 90. A street sign shall not be installed near a public opera house.

Section 91. A street sign shall not be installed near a public opera house.

Section 92. A street sign shall not be installed near a public opera house.

Section 93. A street sign shall not be installed near a public opera house.

Section 94. A street sign shall not be installed near a public opera house.

Section 95. A street sign shall not be installed near a public opera house.

Section 96. A street sign shall not be installed near a public opera house.

Section 97. A street sign shall not be installed near a public opera house.

Section 98. A street sign shall not be installed near a public opera house.

Section 99. A street sign shall not be installed near a public opera house.

Section 100. A street sign shall not be installed near a public opera house.
