Click the Guest Sign In link to login. You will be brought to the Public Search Template.
Enter in your search criteria for the document(s) you want to retrieve and click the Search button. You can search on a single or a combination of fields, and note some fields either have is equal to or contains next to the field name. If the field is equal to this means only documents which meet the exact value entered in the text box will be retrieved. If the field contains this means only documents which contain all or part of the value entered in the text box will be retrieved. The contains is a drop down menu box, which you can alternatively select starts with or ends with. These two options will retrieve documents which either start with or end with the value entered in the text box. If more than one field is used for a search then only documents in which all the values entered in the fields will be retrieved. If, for example, you entered “9999” in the Contract Number field and “Star Plumbing” in the Vendor Name field only documents which contain both these values will be retrieved. If a document had a Contract Number of “9999” but a Vendor Name other than “Star Plumbing” then that document will not be retrieved. Finally click the Restore Defaults button to clear out all search values from the fields and start a new search.
In the example below I entered in "311" as the Contract Number and pressed the Search button.
After I clicked the Search button the results are returned at the bottom of the page. You will see only one document met my search criteria of Contract Number equal to "311".
You'll notice all the search fields are contained in the results panel along with their respective values. To view the document click the document Title or the TIF icon next to the document Title. This will bring up a new document viewer window and the document will be displayed.

AGREEMENT TO DISTRIBUTE
HOME INVESTMENT PARTNERSHIPS PROGRAM
CFDA# 14.239

THIS AGREEMENT TO DISTRIBUTE HOME INVESTMENT PARTNERSHIPS PROGRAM FUNDS (the "Agreement") is entered into by and Affordable Housing Services, an Indiana not-for-profit corporation (the "Project Sponsor"), and the Consolidated City of Indianapolis acting by and through its Department of Metropolitan Development (the "DMD").

REQUITORS

1. The HOME Investment Partnerships Act, 42 U.S.C. §§12701-12840, as amended (the “Act”) created the HOME Investment Partnerships Program ("HOME") to provide funds to expand the supply of affordable housing for low income and very low-income families.

2. The Department of Housing and Urban Development ("HUD") is authorized to allocate funds under the Act, and has promulgated rules, regulations and policies, including 24 CFR 92 (collectively, the “Regulations”), to implement the purposes of the Act.

3. The DMD has solicited funds ("HOME Funds") for this project.
In the document viewer window there are different controls for how the document is presented in the window. These include Zoom to 100%, Fit to window width, Fit to window height, and Fit to window. You can also click and enable the magnifier to magnify over specific parts of the document (click the magnifier icon again to unselect it). Finally you can use the Zoom to control the zoom to a specific area of the document, and the zoom in and zoom out controls to zoom in and out of the document. Finally you can also print the document by clicking the Print button. Hover your mouse pointer over each of the icons to display their labels.
