Seven Steps for Voting Absentee Ballots

6. When done opening all absentee ballot secrecy envelopes, Judges should remove ballots from storage bin and scan into the M-100 face down

7. Pack applications and empty envelopes in the Absentee Paperwork Envelope found in Poll Kit

If a person arrives to cast a ballot AFTER you process their absentee, they must be prohibited from voting

• Write-In Candidates
• New Rejected Absentee Ballot Envelope
• Moving in a Municipal Election Year
• Credentials & Exit Polling
• Candidates as Poll Workers?
• Cell Phone Reimbursement
• Daylight Savings Time
Write-In Candidates

• Clerks should post a list of declared write-in candidates on their table in the morning
  – For 2011 Municipal Election, write-in candidates filed to run over the summer
  – List is found in the Inspector Binder

• At closing, look for write-in votes on M-100 totals tape
Write-In Candidates

• If any, examine ALL ballots to look for write-in candidates
  – ONLY record votes for certified write-in candidates OR candidates on the ballot
    • Declared Write-In Form (MCEB-10) found under tab 4 of Inspector Binder
    • Form will permit you to enter information only for the declared write-in candidates or candidate on the ballot
      – Any non-declared candidate (i.e. Mickey Mouse) is not to be counted
New Rejected ABS Envelope

• BEFORE: One return envelope for spoiled/defective/rejected absentee ballots

• NOW:
  – One return envelope for spoiled/defective absentee ballots
    • Defective absentee ballots cannot be fed through a machine, but otherwise OK

  – One return envelope for rejected absentee ballots
    • Absentee ballots rejected by the precinct election board or the county Election Board for a valid reason
Moving in a Municipal Election

• In a municipal election year, a voter who did NOT update their registration AND moved in or out of a municipality at any time is NOT eligible to vote in the election.
  – Example: Valerie Voter moved out of the city of Lawrence to downtown Indianapolis. She did not update her voter registration. In a municipal election, she is NOT permitted to go back to her old precinct and vote one last time.

• Municipalities impacted by this rule are the cities of Indianapolis, Beech Grove, Lawrence and Southport, and the town of Speedway.

• If you encounter this scenario on election day, call the Inspector Hotline at 327-2000.
Credentials & Exit Polling

• Credentials
  – Every non-voter entering polls should have a credential issued by their party chair or Election Board
  – Secretary of State may issue credentials to members of the national media; they are official and can enter the polling location

• Exit polling

  – Can speak to voters exiting the polls

  - Candidates are permitted to cast a vote in their precinct on Election Day
Cell Phone Reimbursement

  – Most likely will be the Inspector of the precinct
  – Designee MUST mark box on the expense sheet

• Note: All polling locations should make their landline available to poll workers
Daylight Savings Time

• DST falls the weekend before the election
  – Be sure to ‘fall back’
  – Don’t let this make you late on Tuesday!
    • Everyone is expected to arrive at 5 a.m.
