- Name change
- No photo ID
- Signs Poll Book before ID confirmed
- Voter moves
- Credentials
What if?

- Michael Missing shows up but he is not in the poll book. He has lived at his current address for 50 years. What should you do?
  - Call 327-2000 and press 1
  - Voter Registration can look up his information
What if?

• If Michael is in the wrong location…
  – New Precinct Maps
    • County adopted new precinct maps in December 2007
      – Before: 917 precincts
      – Now: 590 precincts
    • Make sure the maps found in the Inspector’s poll kit are posted in the polling location
  – Provide Michael with his correct polling location, which Voter Registration should provide to you over the phone
What if?

• If Michael was accidentally left off of the poll book…
  – Voter Registration will give you a Certificate of Error number
  – Clerk notes the number in the poll book
  – Voter casts a regular ballot
What if?

• If Michael insists on voting in the precinct…
  – Clerks provide Michael with a provisional ballot
    • Make sure both sides of provisional ballot envelope are completely and accurately completed by the poll worker and voter!
What if?

- Susie Rich is flashing her new diamond wedding ring and informs everyone of her new name at the Clerks’ table. What should you do?
  - Find Susie in the poll book under her old last name
  - Susie completes the Name Change Affidavit (VRG-4/12) found in the Inspector Binder
  - Susie signs the poll book with her new name
  - Allow Susie to vote
• Problem Paul appears at the Poll site and has forgotten his photo ID. What should you do?
  – If Paul does not want to come back with his photo ID, he can cast a provisional ballot.
    • Paul has 10 days to bring his ID to the Election Board located in Room W-122 in the City-County Building, 200 E. Washington Street
    • If he does not bring an ID to the Election Board within 10 days, his vote will NOT be counted
  – If he leaves to go get his ID, he should NOT sign the poll book
    • If he accidentally signs the poll book, he needs to vote by provisional ballot and follow the instructions above
• Eddie Excitement is a first time voter and enthusiastically signs the poll book before the Precinct Election Board realizes he does not have proper ID. What should you do?
  – Because he signed the poll book, Eddie MUST cast a provisional ballot
What if?

- Marcia Moves-A-Lot appears at the Clerks’ table with her current ID but mentions that she no longer lives at the address on the poll book and forgot to change her registration. Does she qualify to vote?
  - Ask when and where the voter moved
  - Use the flow chart found on page 22 of the Secretary of State’s Handbook
Robert Reporter walks into the polling location and shows his proper credentials to the poll workers. He asks for a public count of the machines.
