Greetings!

On behalf of the City of Indianapolis, it is my pleasure to offer greetings and encouragement to Chapel Rock Christian Church and participants in the annual GOLOVEINDY event.

It is a remarkable accomplishment to put together more than 20 different community service projects involving over 700 volunteers. The variety of opportunities for people with a number of different skill sets is what makes GOLOVEINDY so unique, attracting a range of people who can volunteer in a way that best suits them.

The Westside community and the City as a whole are sure to be encouraged by these projects, which will have a far-reaching impact on the many different groups you are helping. From Wayne Township community gardens to oil changes for single moms, from community beautification projects to health education and screenings, each project is a true blessing.

The success of our community and neighborhoods is often determined by the groups of people like you who are willing to reach out to those in need for the betterment of our city. Please know how appreciative I am of you for taking time to be involved in one or more of the many unique projects planned for today.

I wish you all the best for a successful GOLOVEINDY event and many more in the years to come.

Best regards,

Gregory A. Ballard
