City Fleet & Energy Security

Plan will save taxpayers $8 million over five years.

- Indy has pledged to buy only electric or plug-in hybrid electric fleet vehicles, which translates to a $12,000 per car savings over the vehicle life

- Indy will transition snow plows, trash trucks and fire apparatus to compressed natural gas (CNG)

- Last November, Indy received the E-Visionary Award at the Electric Vehicle Symposium for our work promoting electric vehicles
Bolloré Group has chosen Indy to become its first electric car-sharing hub in North America.

• Bolloré Group is one of the 500 largest companies in the world with revenues of more than $12 billion in 2012

• Indy’s program will have hundreds of electric cars that can be charged at about a thousand charging stations at 200 locations throughout the city

• This program will also create dozens of new jobs

• The first station will be going live in May and another 25 sites will be operational by fall, 2014
Bike-Share program coming to Indy

- Indianapolis is a nationally recognized “Bicycle Friendly Community”
- Indy was voted **Best City to see from a Bicycle Seat** 4th in the world, 1st in the U.S. - from Away.com
- Indy received the **2013 Bicycle Friendly America Leadership Award**
Energy retrofits have saved taxpayers $860,000 over the last 2 years

Projected to save taxpayers $750,000 annually for the next 15 years

- Heating, cooling, and ventilation improvements
- Expanded building controls and lighting sensors
- Installation of renewable energy system
- Solar and wind powered LED plaza lights
