• Indy has received more snow this year than last year—and winter isn’t over!
  • Anytime snow or ice is in the forecast, the City activates Indy Snow Force, and at least 160 drivers will be salting and plowing the primary and secondary streets in a 24 hour period.

• Ice Storm of 2011
  • DPW received an incredible amount of positive feedback from residents
  • Typically, we only go into residential areas if there is a 6” snow event; but the City worked hard to find a way to get into residential areas under these extraordinary circumstances.
