Community Enhancements...
2011 Lilly Day of Service
Lafayette Square Area

Volunteers from Eli Lilly and Keep Indianapolis Beautiful (KIB) rolled up their sleeves in the Lafayette Square area. Projects included:
- brush removal
- graffiti cover-up
- improvements to an urban farm
- construction of planter beds

A second Lilly Day of Service for the area is planned for 2012.
This building mural, painted by Lilly volunteers, is a very visible example of this area gaining new life as a unique part of Indianapolis, complete with an abundance of creative public art.

38th Street Resurfacing Work

The 38th St. project from I-465 to I-65 is nearly complete.

This $15 million investment has:

- repaired and replaced storm sewers,
- repaired and replaced curb and sidewalk,
- repaired and replaced two bridges,
- upgraded ADA ramps,
- resurfaced over 13 lane miles of pavement

This project is scheduled to be completed by this spring.

Energy Efficiency Saves $$

• $18 million in energy efficiency measures have been taken benefiting 61 facilities across several City departments, including 13 Indy Parks facilities.
• This is saving taxpayers $1.7 million annually in utility costs.

LED Traffic Signal Retrofits Save $$ and Energy

• City is saving 41% on the energy costs of operating traffic signals
• Replaced more than 9300 signal inserts with LEDs
• Traffic signals are 90% more efficient and last 10 times longer than traditional signals.
