As the first city in the nation to modify a CSO consent decree through better efficiencies and cost savings, Indianapolis is emerging as a national model. Modifications will allow Indy to:

- **Save $740 million** and remove more sewage ahead of schedule
- Capture and treat an additional **1 billion gallons** of raw sewage
- Improve management of flows between treatment plants
- Protect utilities and groundwater

**Cover Story:** *Engineering News Record (ENR)* featured the Indianapolis CSO Consent Decree Modification.
$500,000 Spray Park will be completed before Memorial Day weekend. The spray park pays homage to famous jazz musician Wes Montgomery and has spray features in the shape of Wes Montgomery’s guitar. The bathhouse is also being upgraded.

Meadows Redevelopment

In partnership with the Meadows Community Foundation, the City has committed $4.65M in grant funding and local resources to the redevelopment efforts in the Meadows neighborhood ($4.15M of federal grants and $500,000 of local infrastructure resources) for the comprehensive redevelopment of the Meadows area, which is estimated to be a nearly $150M redevelopment project over the next 5 - 7 years.

Redevelopment vision includes:

- Construction of mixed income rental housing at East Village (begun fall of 2010)
- Demolition of vacant dilapidated buildings at Timber Ridge (completed fall of 2010)
- Construction of a new community center and green space (future)
Meadows Redevelopment: 
**East Village at Avondale**

- 246 mixed-income, multi-family units, with a resident clubhouse and a park.
- This part of the redevelopment reflects a total of $26M in investment, of which $23.75M is private funding.
- The City is supporting this project by providing 1.75M of grant dollars and working with neighborhood to identify and fund $500,000 in infrastructure improvements (for a total of $2.25M in City investment).
