Southwestway Park – Indy Parks is partnering with Hoosier Mountain Bike Association (HMBA) to install mountain biking, hiking and equestrian trails in the park.

100 Years. 100 Miles. 100 Parks. Take the Challenge – Sign up online at www.indyparks.org.
I am very encouraged that in the past year we have added approximately 13,000 private sector jobs and seen a nearly two percent drop in the unemployment rate, according to data certified by the U.S. Bureau of Labor Statistics. It’s clear Indianapolis is well poised for recovery.”

- Mayor Gregory A. Ballard (April 19, 2011)

### Non-Seasonally Adjusted Unemployment Rate

Other DPW Transportation Improvements

**Bridge Project**
The Mendenhall Road bridge over Goose Creek between Camby Road and Mills Road will be rehabilitated next year. It is scheduled to be bid in February 2012, with construction in 2012.

**Culvert Replacement**
DPW is planning several culvert replacement projects in Decatur Township. Replacing culverts doesn’t necessarily help with drainage, but does restore the culverts to their original condition. Projects will be completed on Mendenhall Road, Hayworth Road and Camby Road.

DPW Storm Water Improvements
Mills and Trotter

This project will alleviate drainage and flooding problems for nearly 50 homes by constructing hybrid ditches, inlets and pipes within the Maple Lawn Addition subdivision. The project starts this spring and will be finished next spring.

Rain water flows into the ditch and is absorbed into the ground. Higher waters will flow into the grate and into the storm pipe.
